THE ROCKETFELLERS

THE ROCKETFELLERS

PREVIOUSLY...

On the run from the 25th century protecting stolen life-extension tech, Roland Rocketfeller and his family hide in the year 2025. They are hunted by the tech conglomerate Cronex and its lead security officer: Roland's sister, Raina Rocketfeller. But Raina finally caught up with them, and Roland agreed to go back to the future with her using a homespun time machine...until it exploded in the sky...

DAD!

ROLAND!

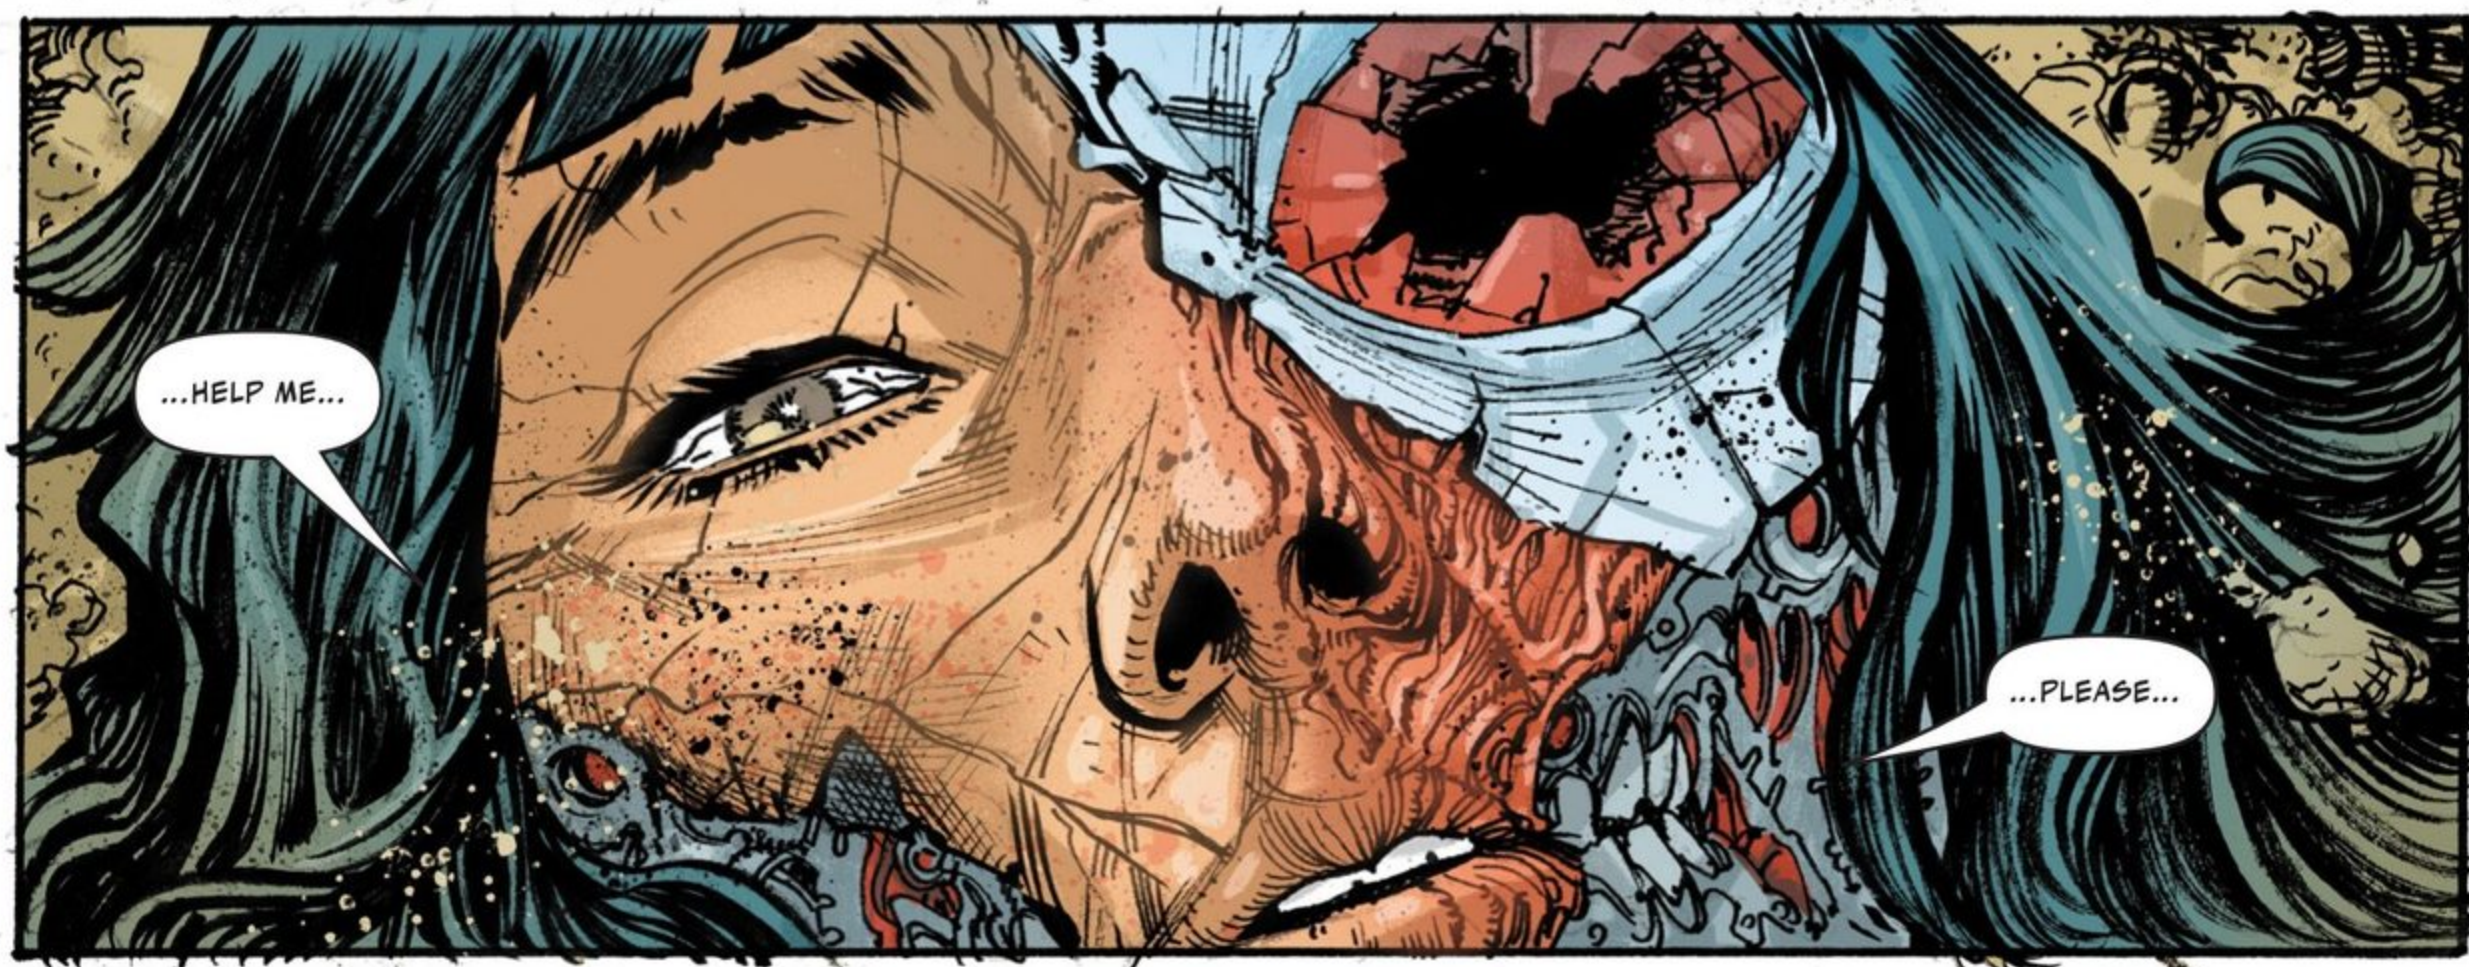

SON!

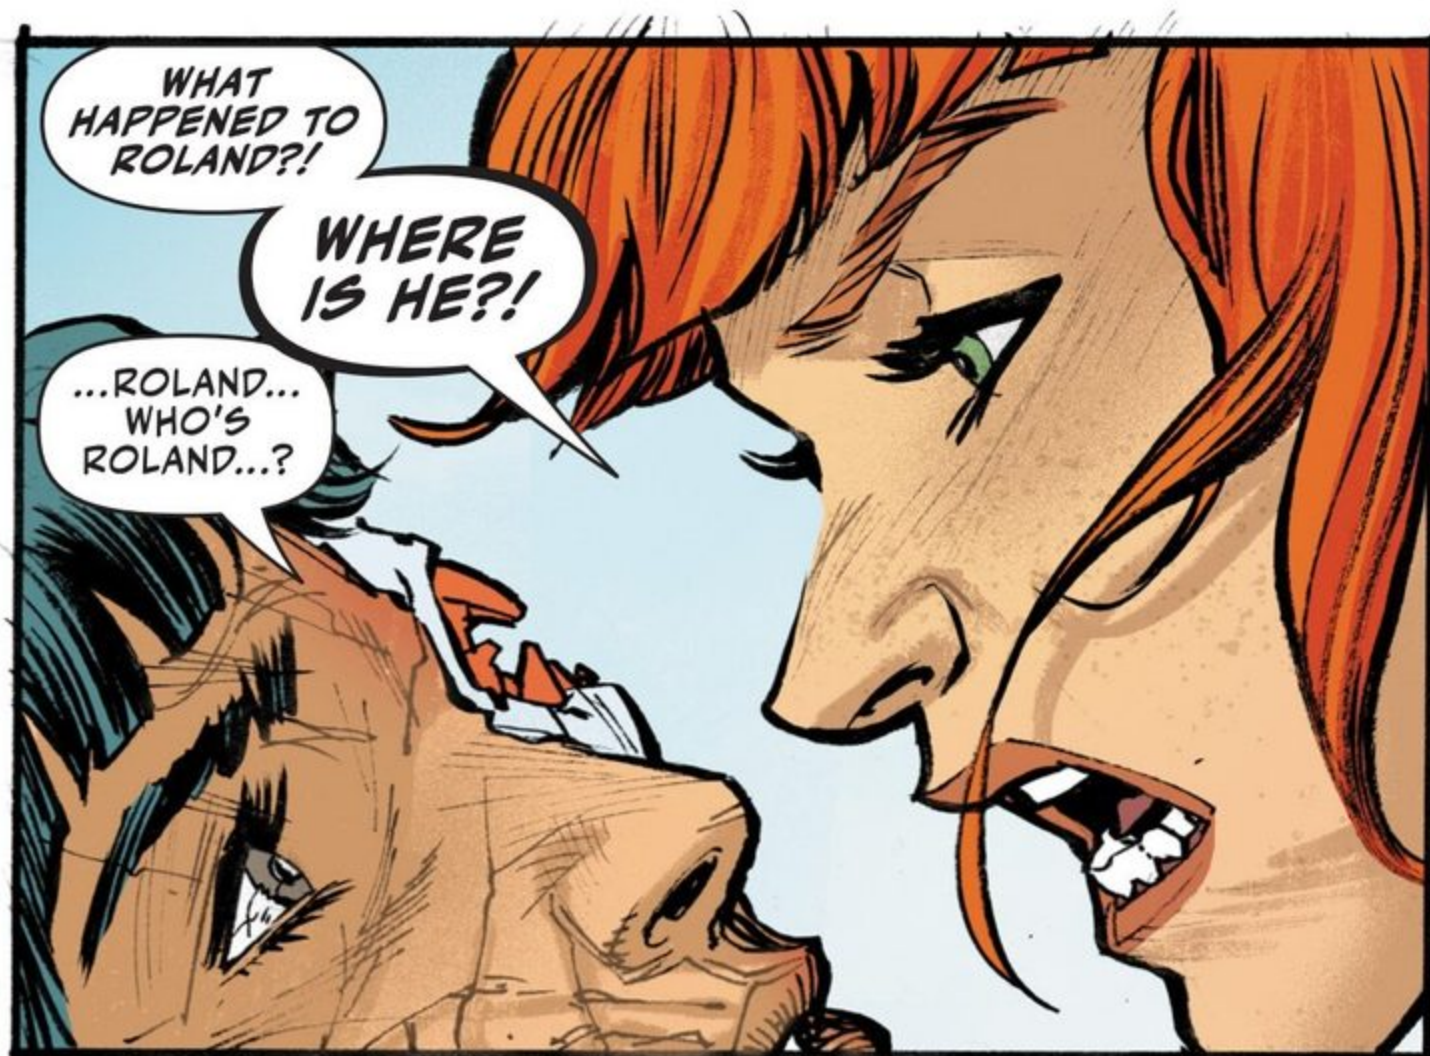

QUICK--
CLEAR
THE SUIT
AWAY!

HANG ON,
DARLING--
WE'LL GET
YOU--

--OUT OF
THERE?

POW

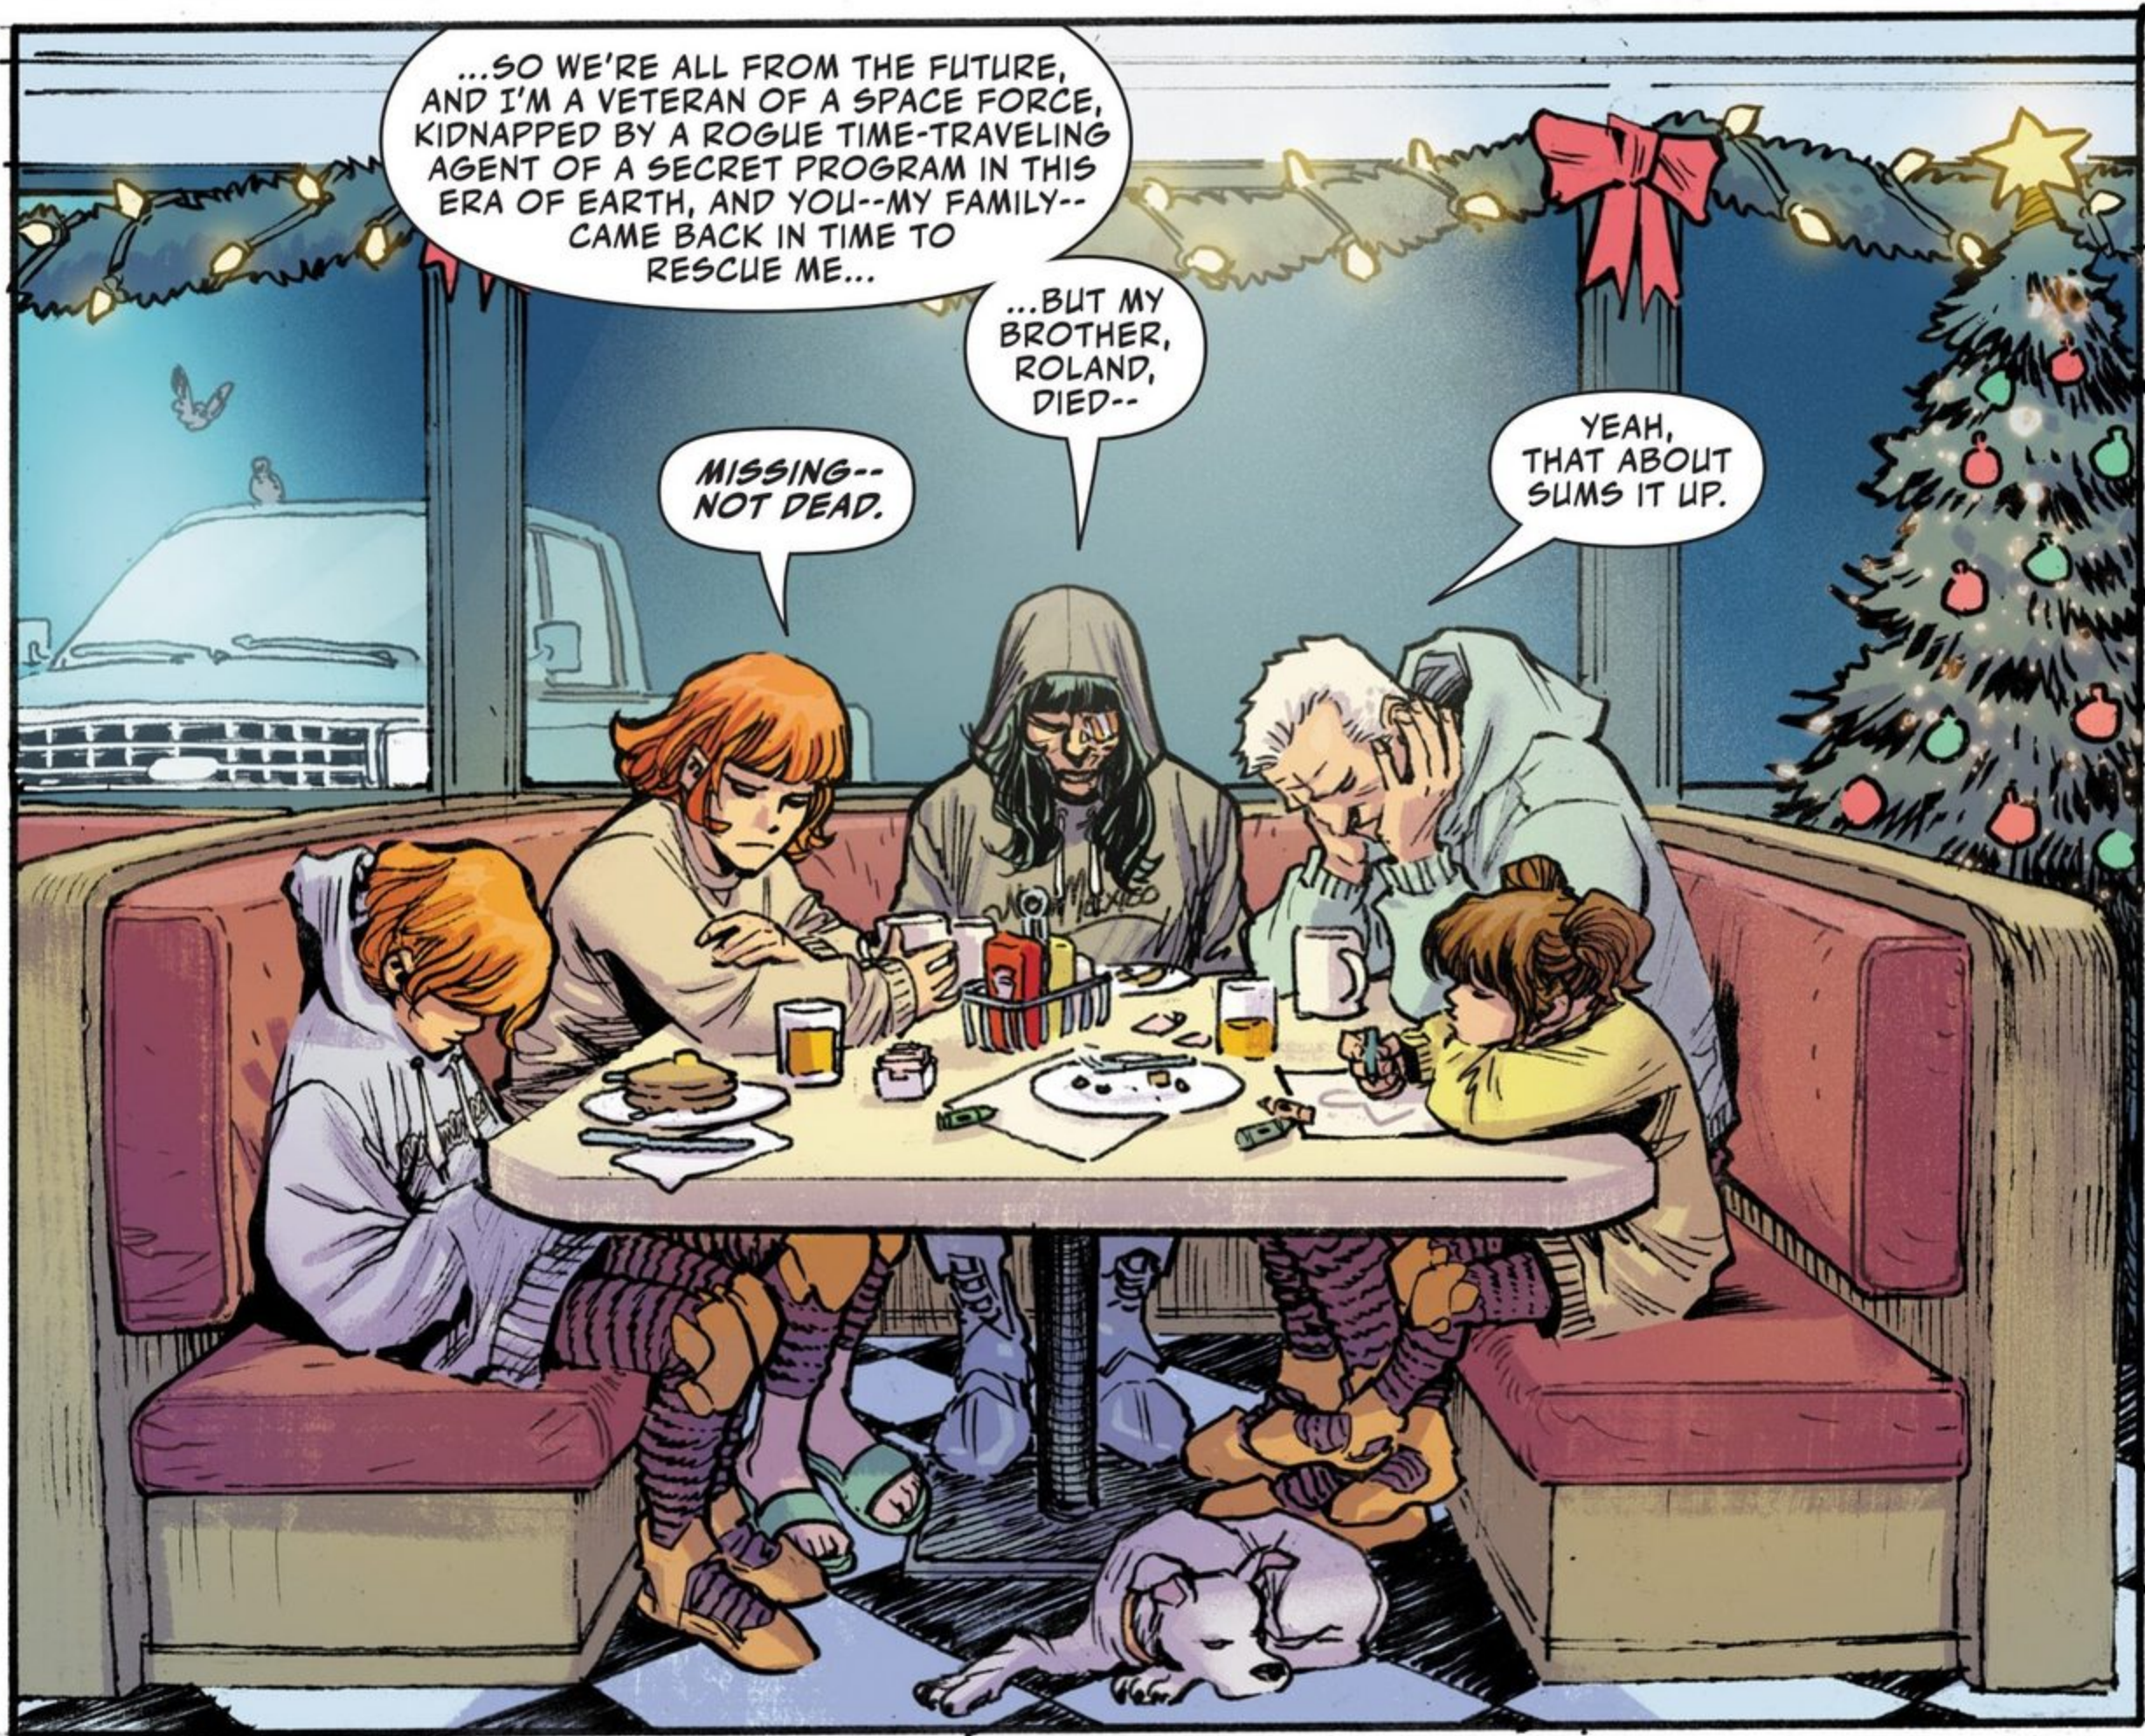

Days later...

...MY HEAD'S SPINNING...I DON'T KNOW WHAT TO SAY, RACHEL...

THERE'S NOTHING TO SAY RIGHT NOW, YOU'RE UP TO SPEED ON EVERYTHING THAT'S HAPPENED, RAINA.

...SO WE'RE ALL FROM THE FUTURE, AND I'M A VETERAN OF A SPACE FORCE, KIDNAPPED BY A ROGUE TIME-TRAVELING AGENT OF A SECRET PROGRAM IN THIS ERA OF EARTH, AND YOU--MY FAMILY--CAME BACK IN TIME TO RESCUE ME...

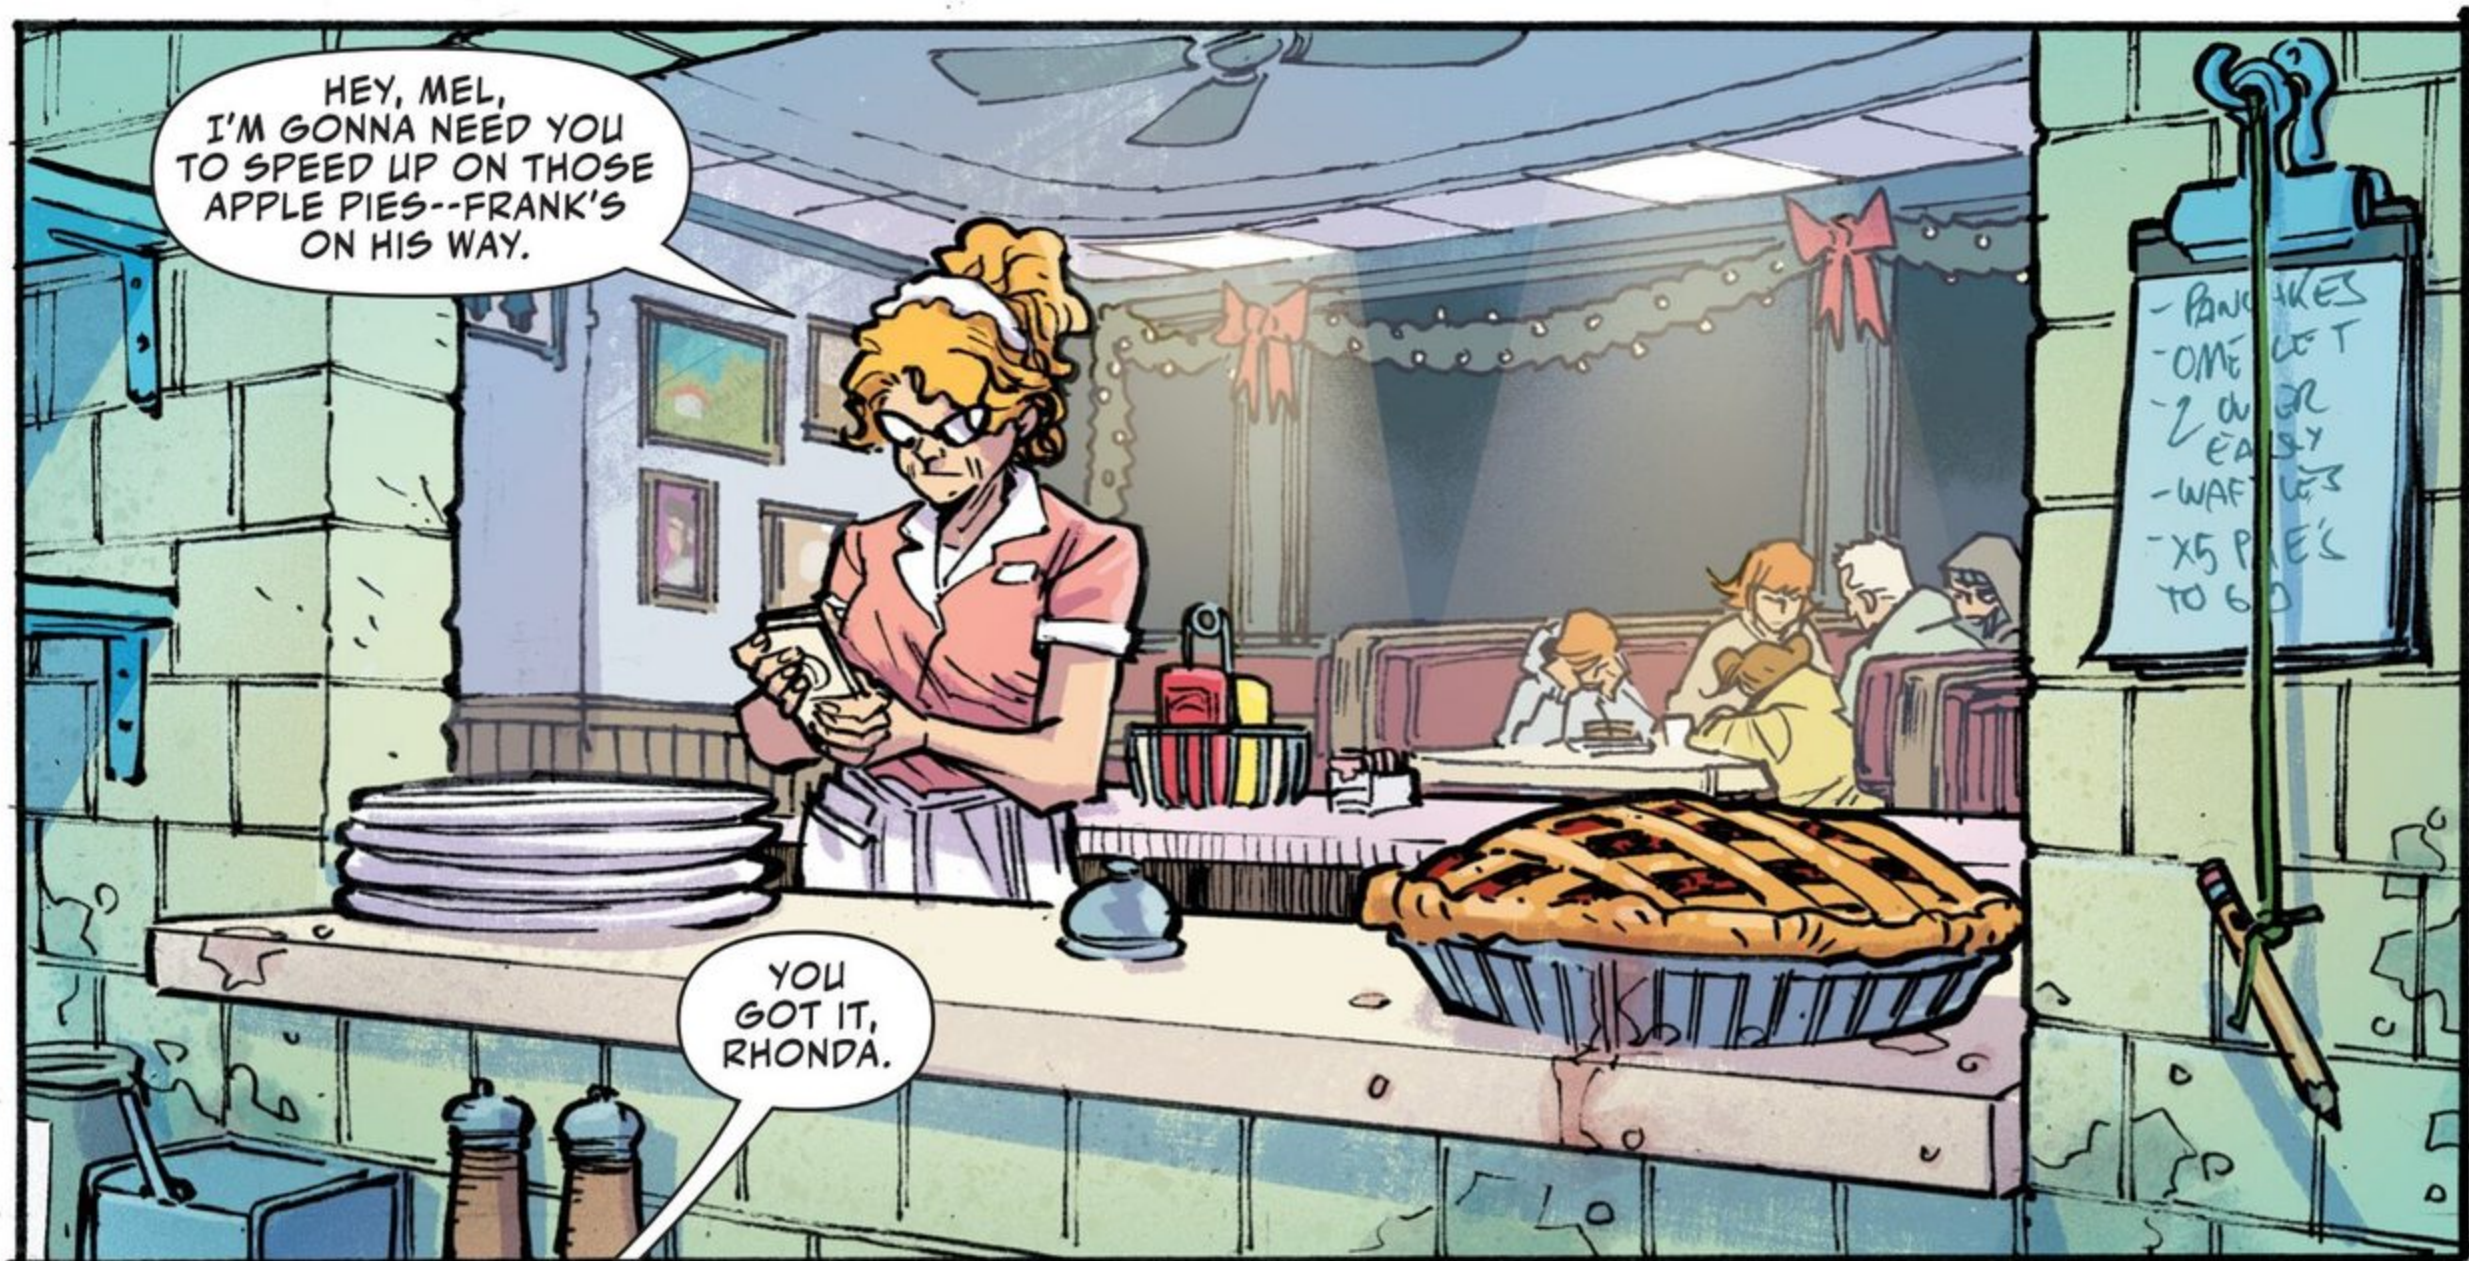

...BUT MY BROTHER, ROLAND, DIED--

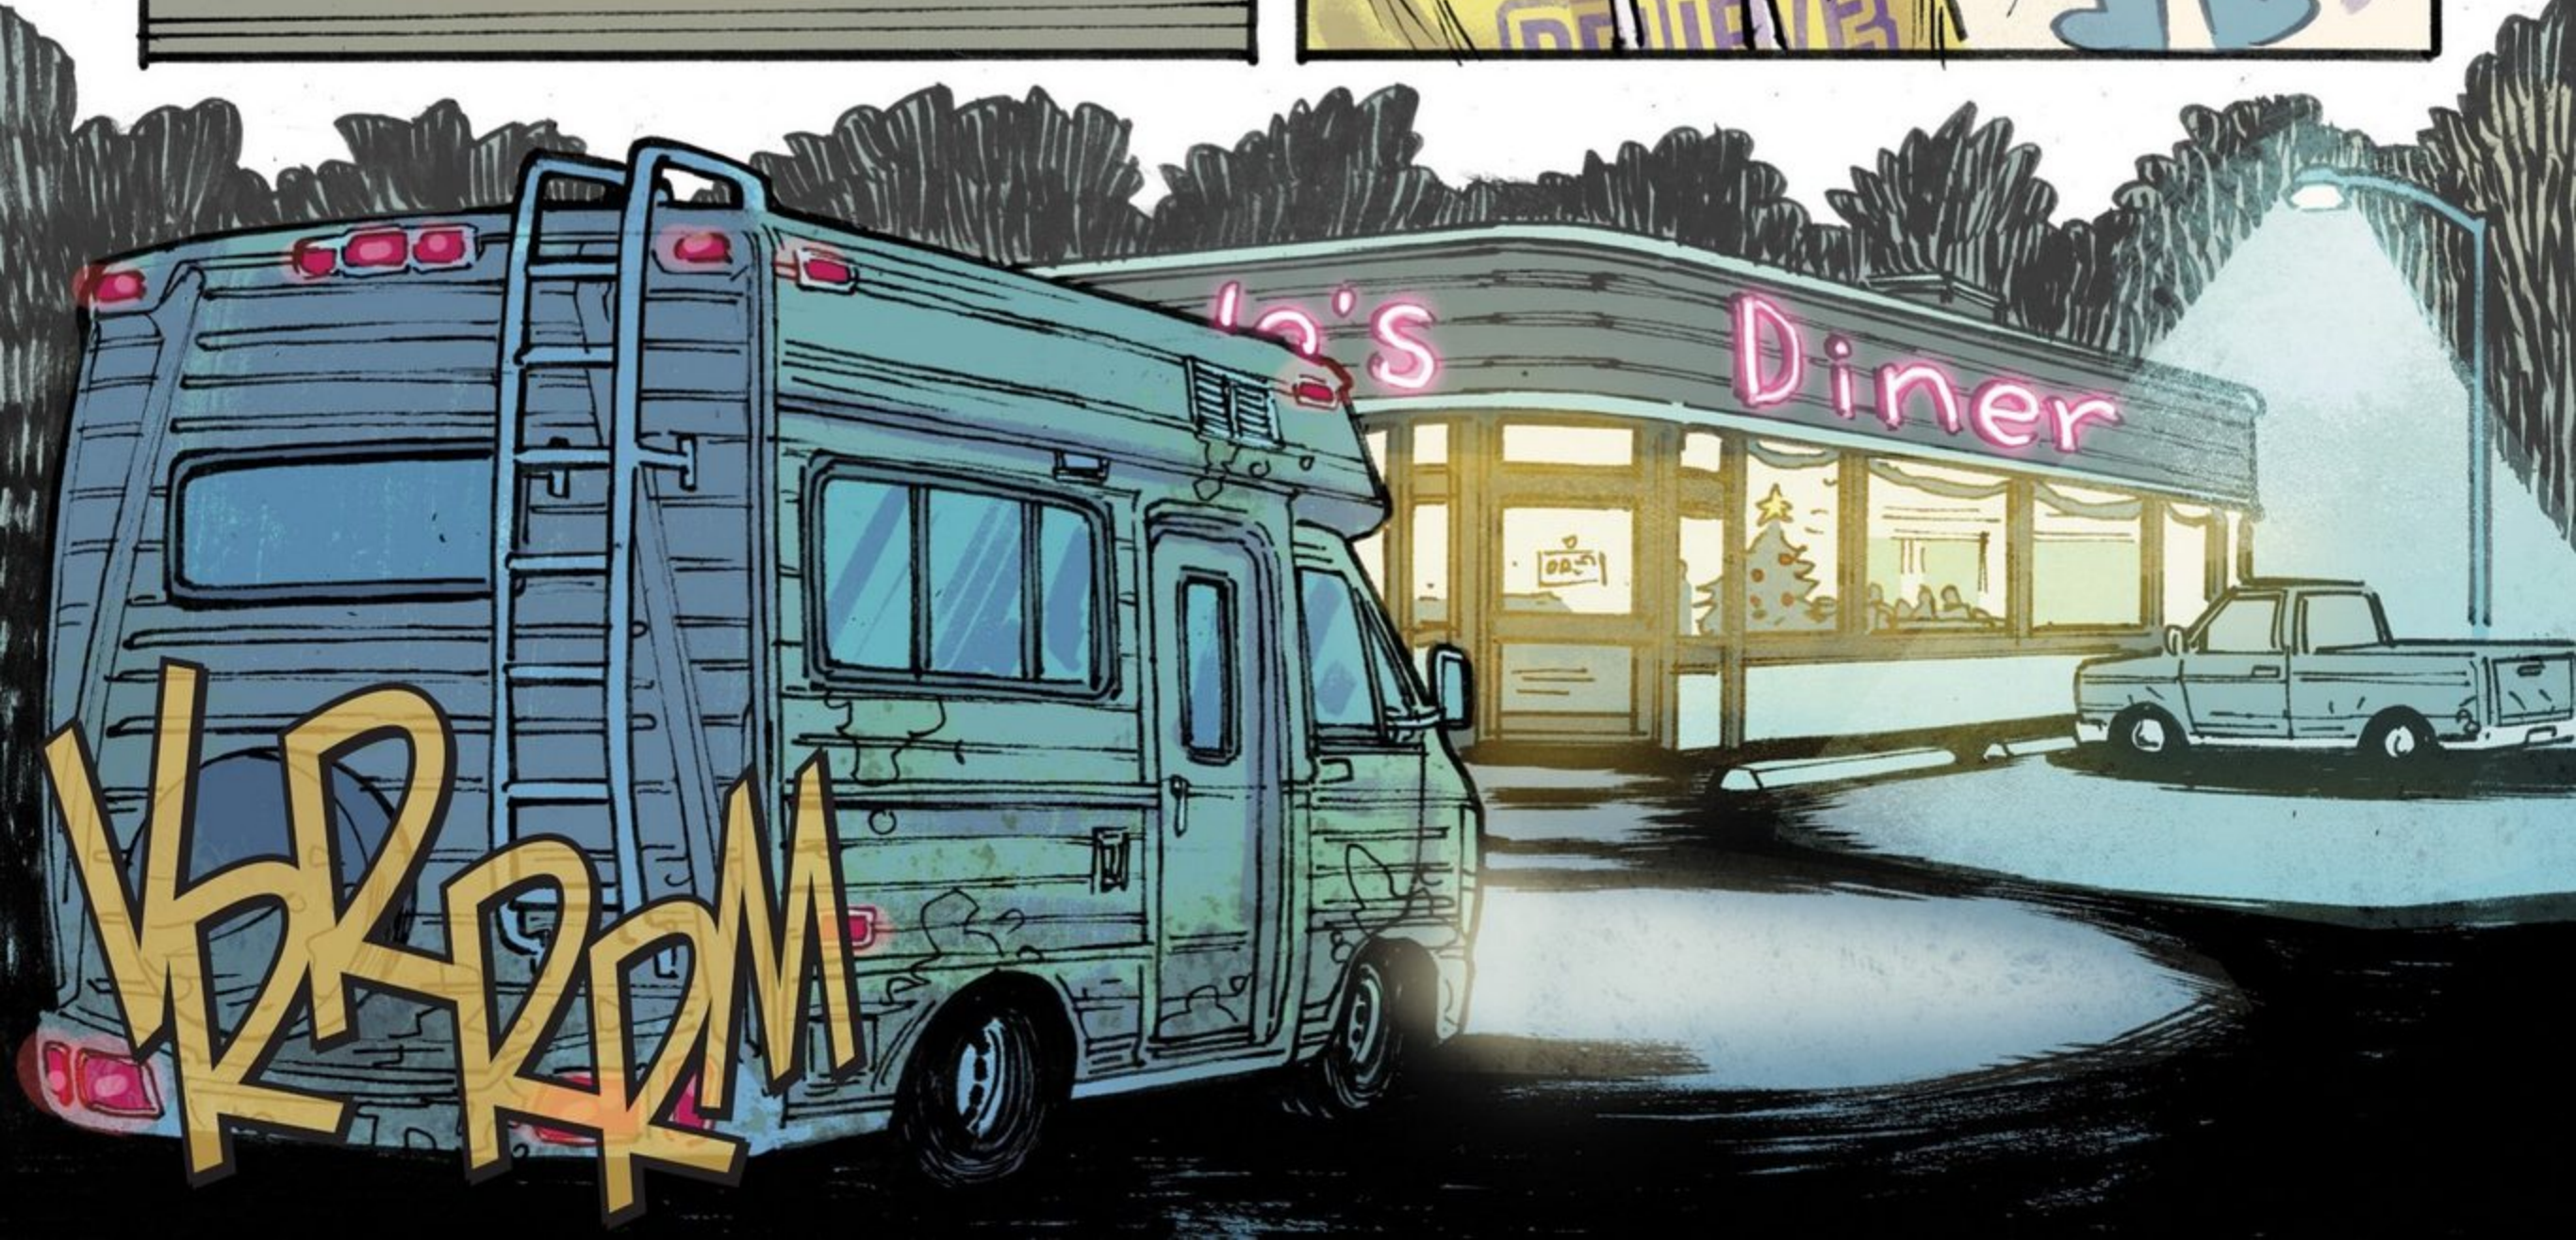

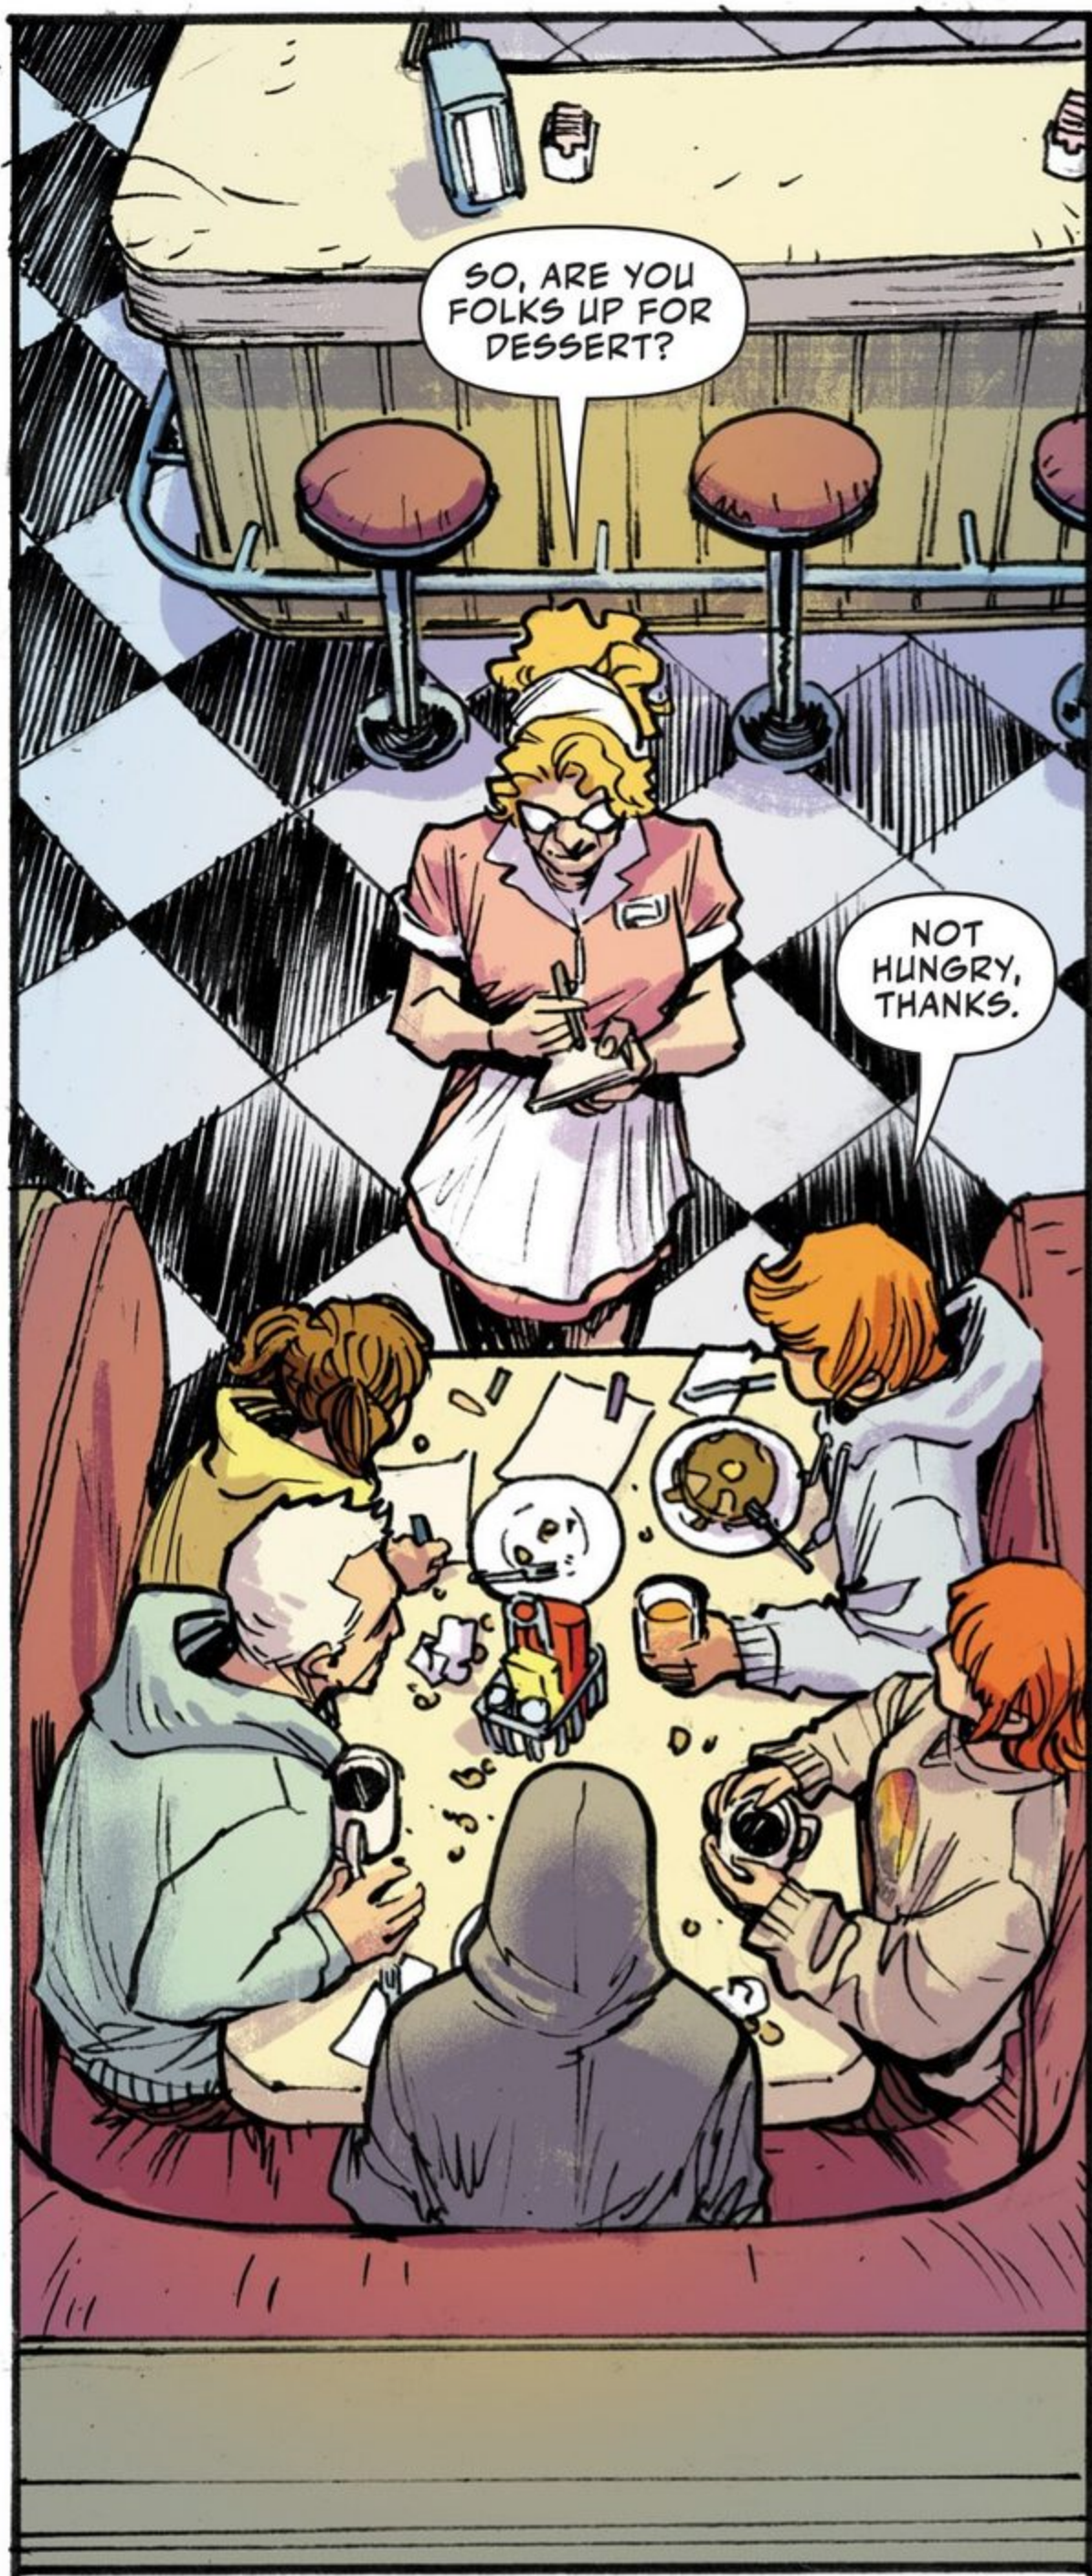

MISSING-- NOT DEAD.

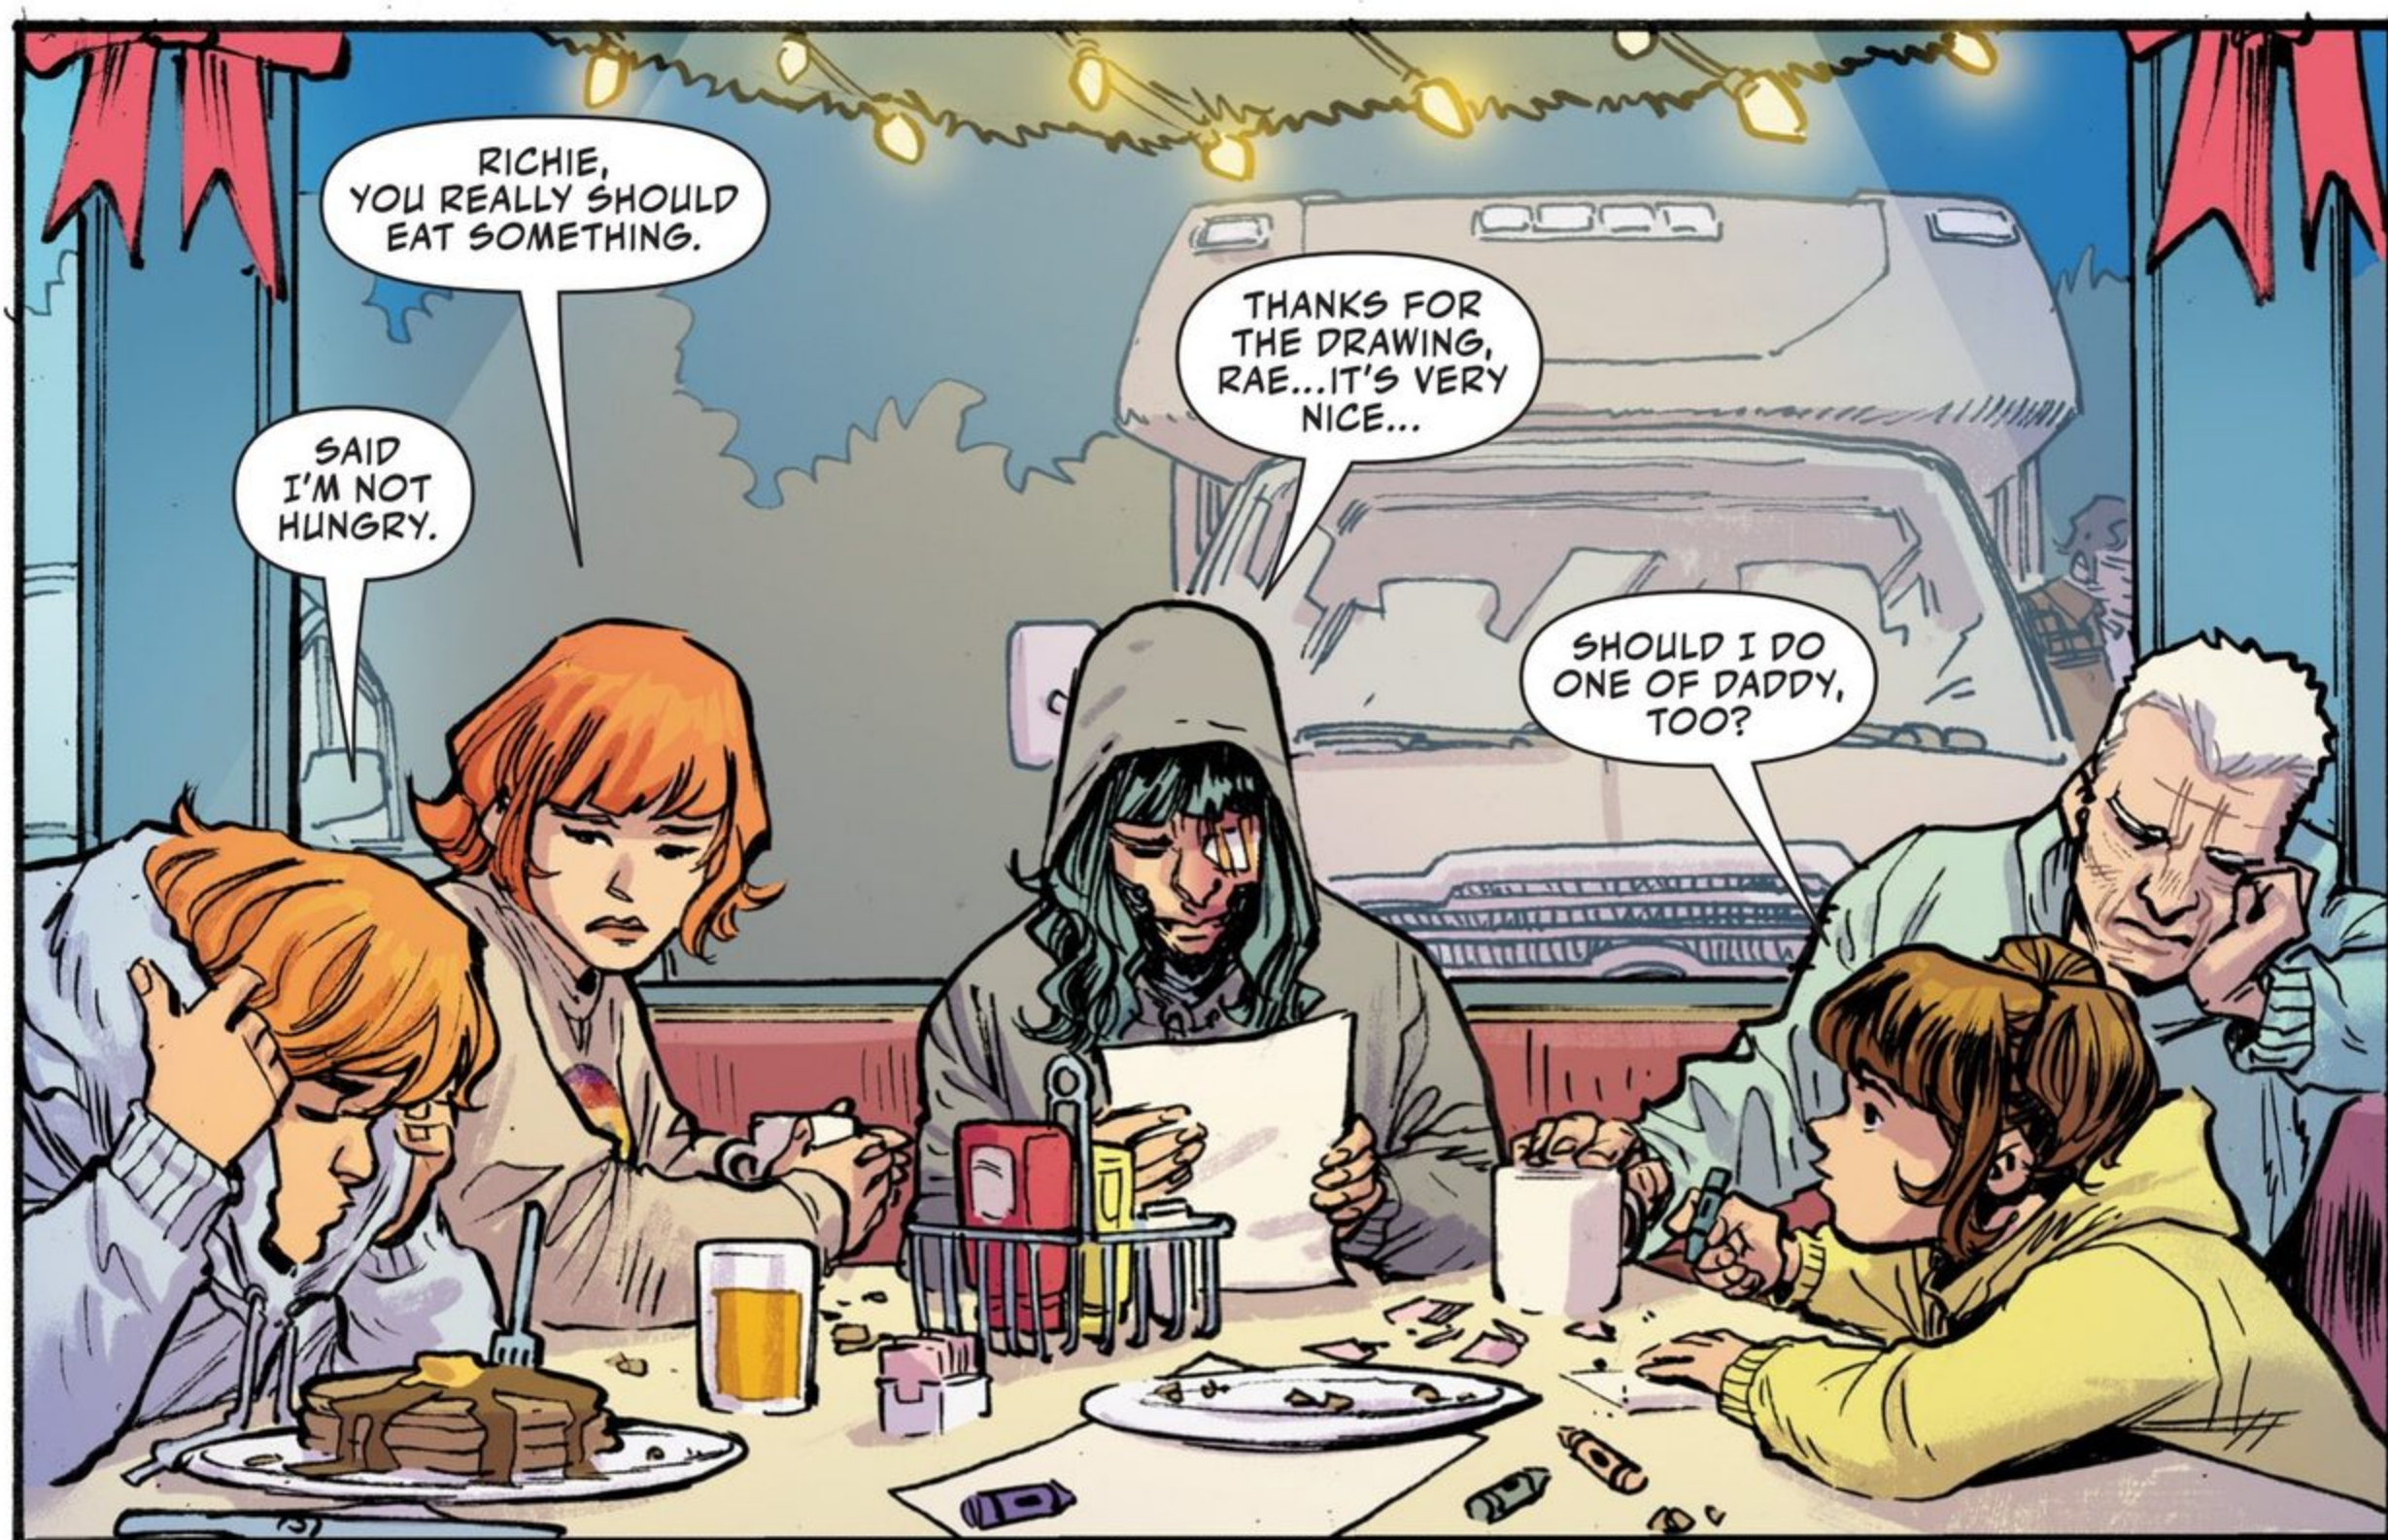

YEAH, THAT ABOUT SUMS IT UP.

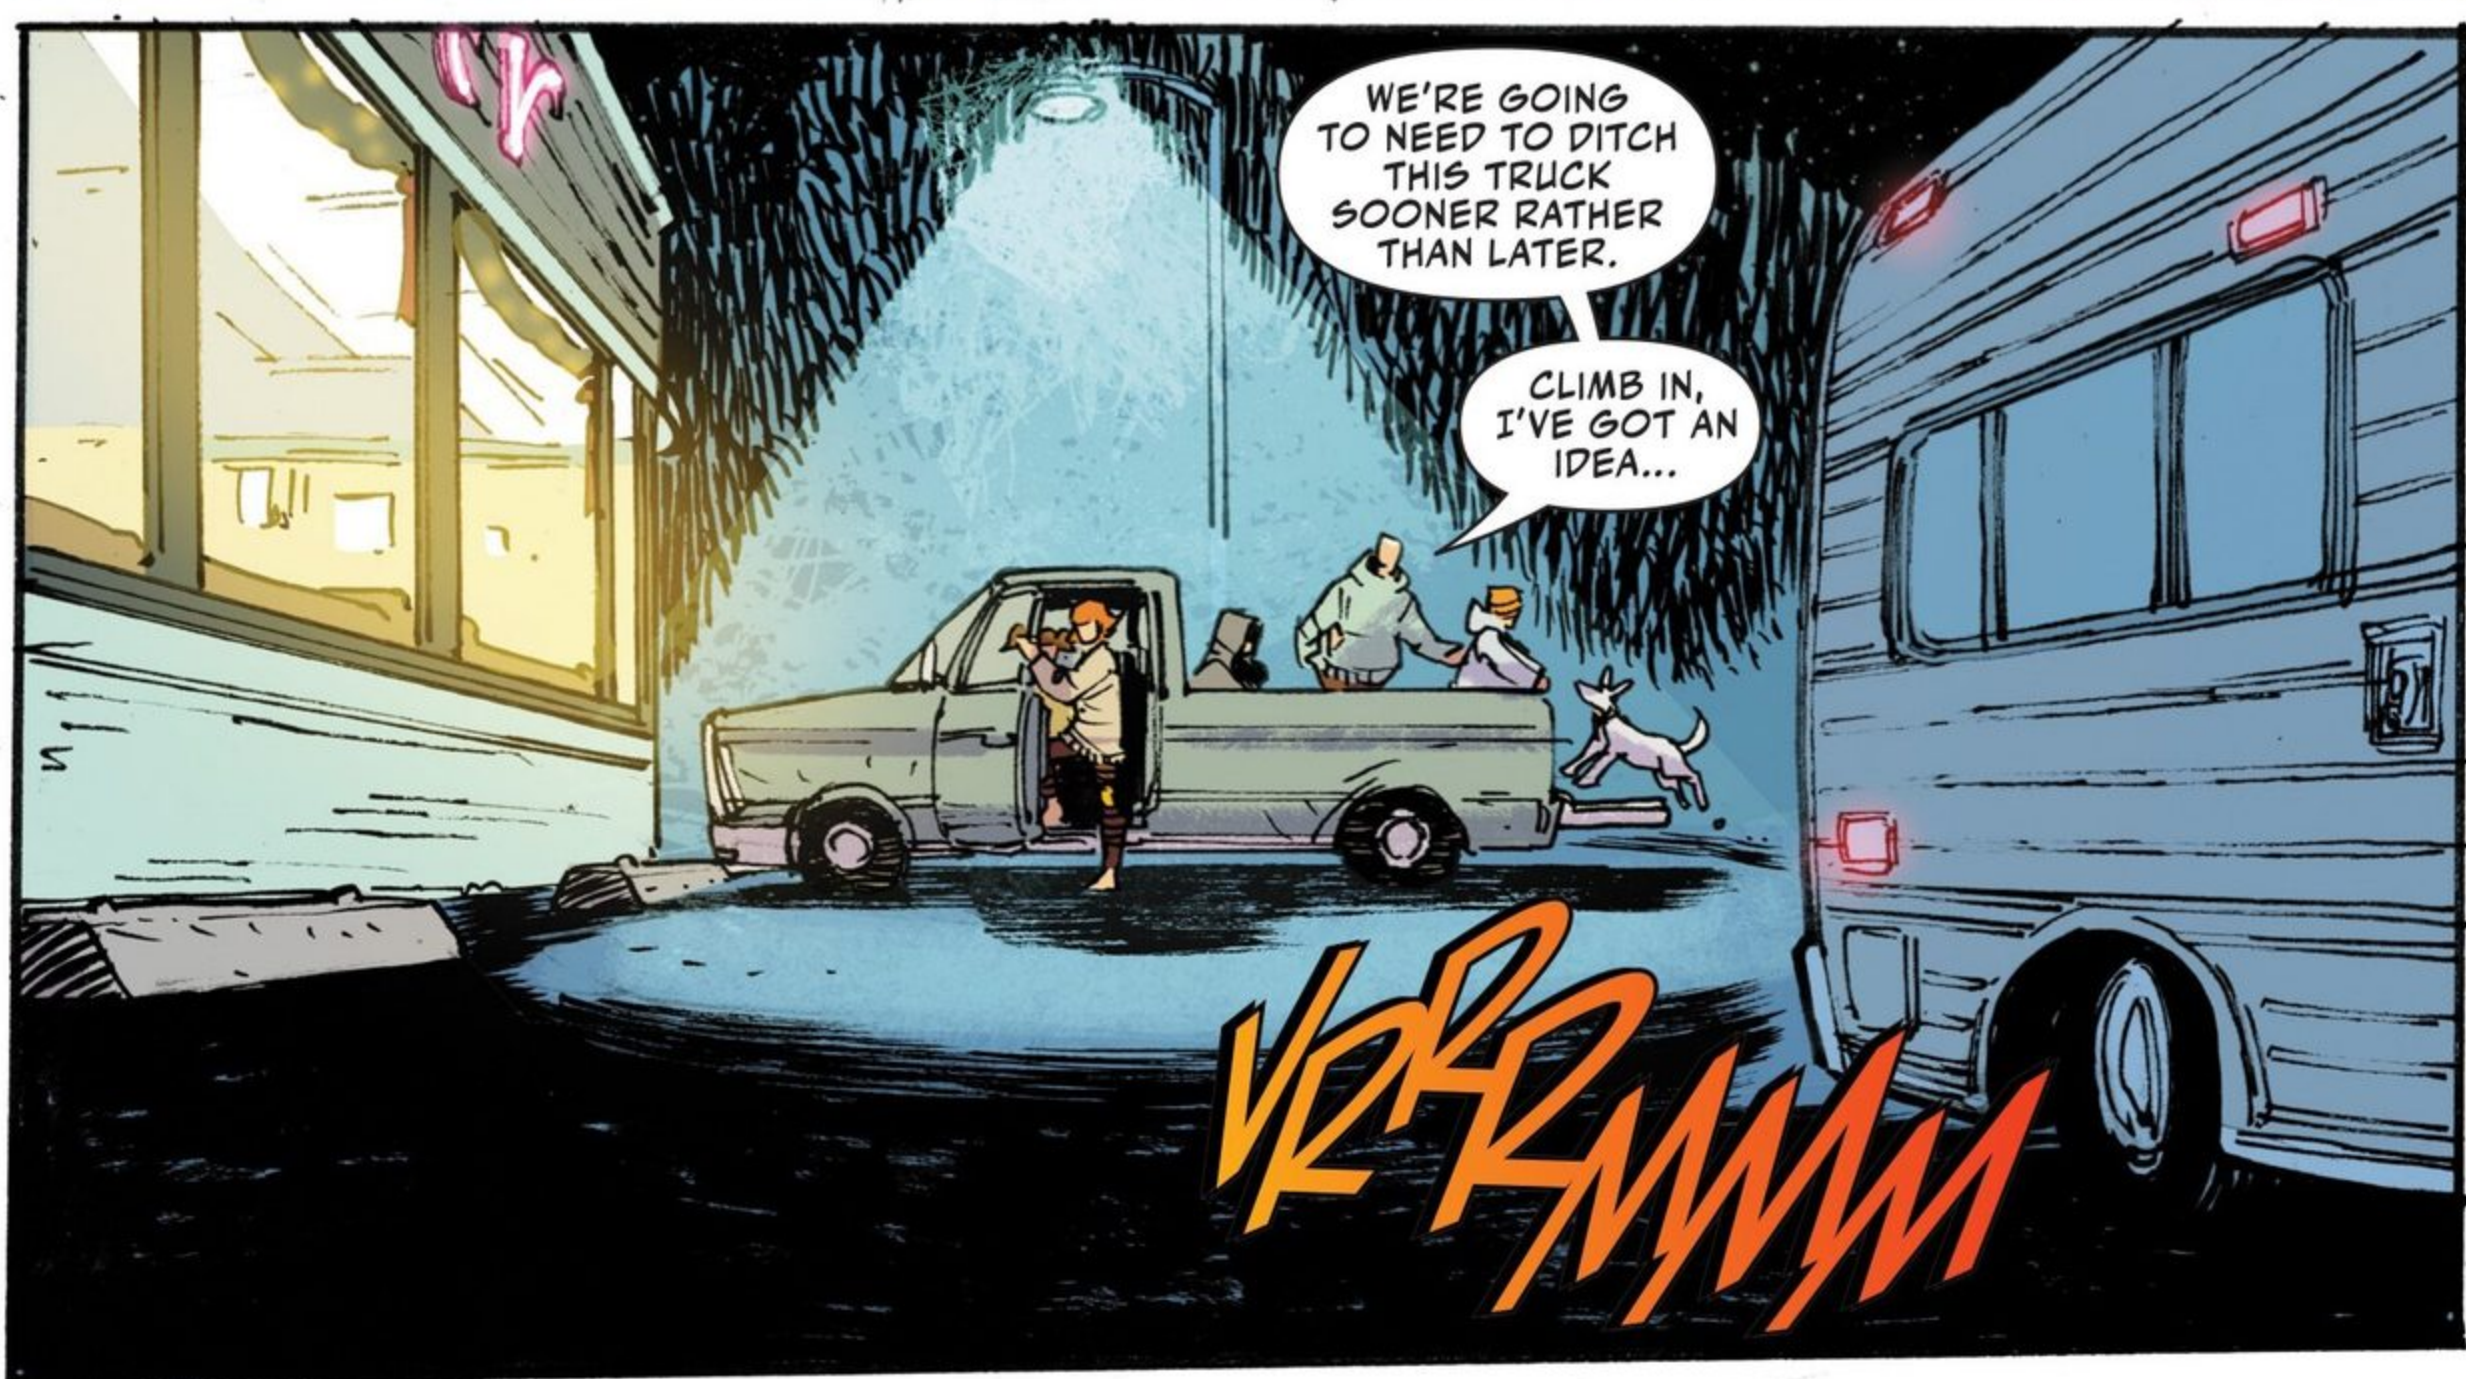

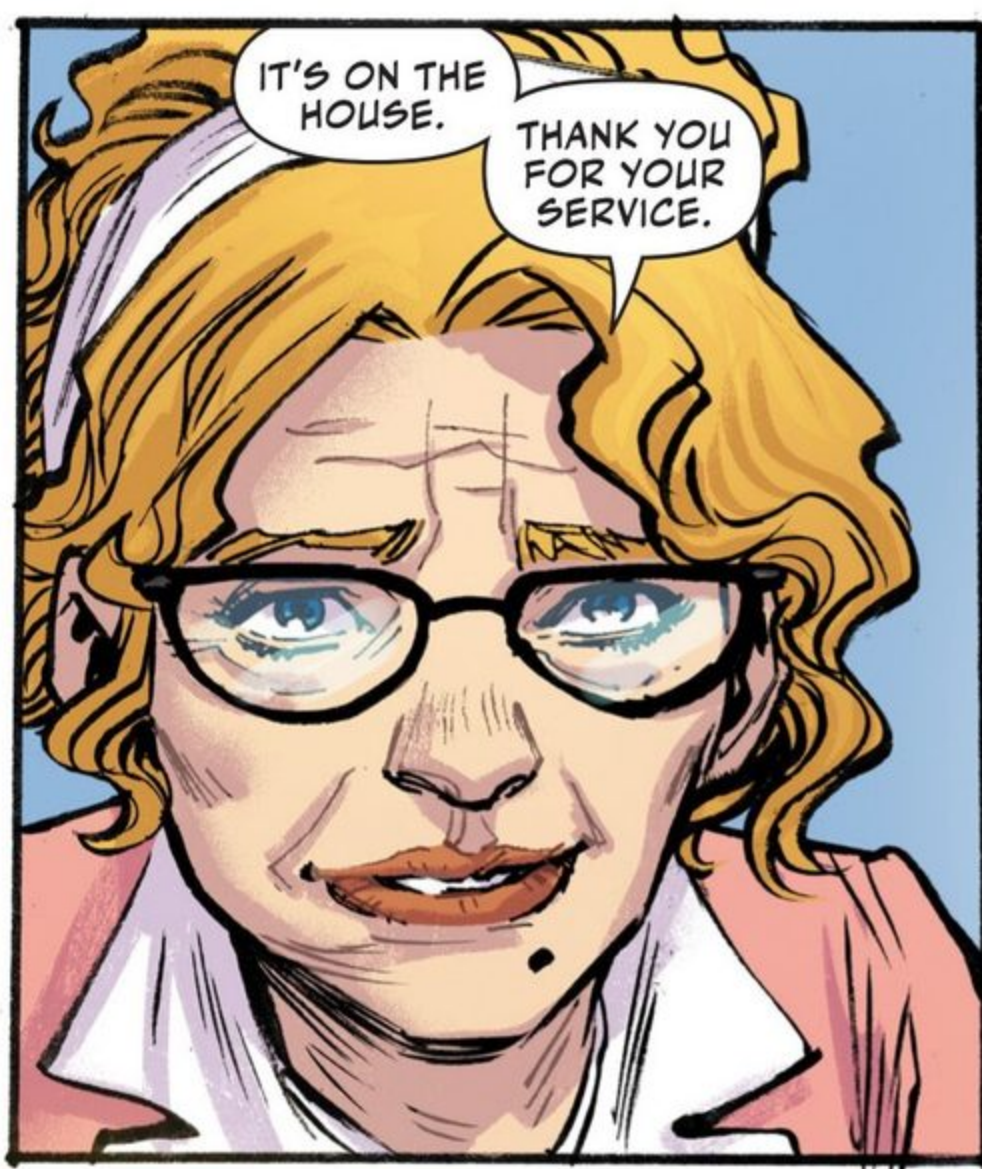

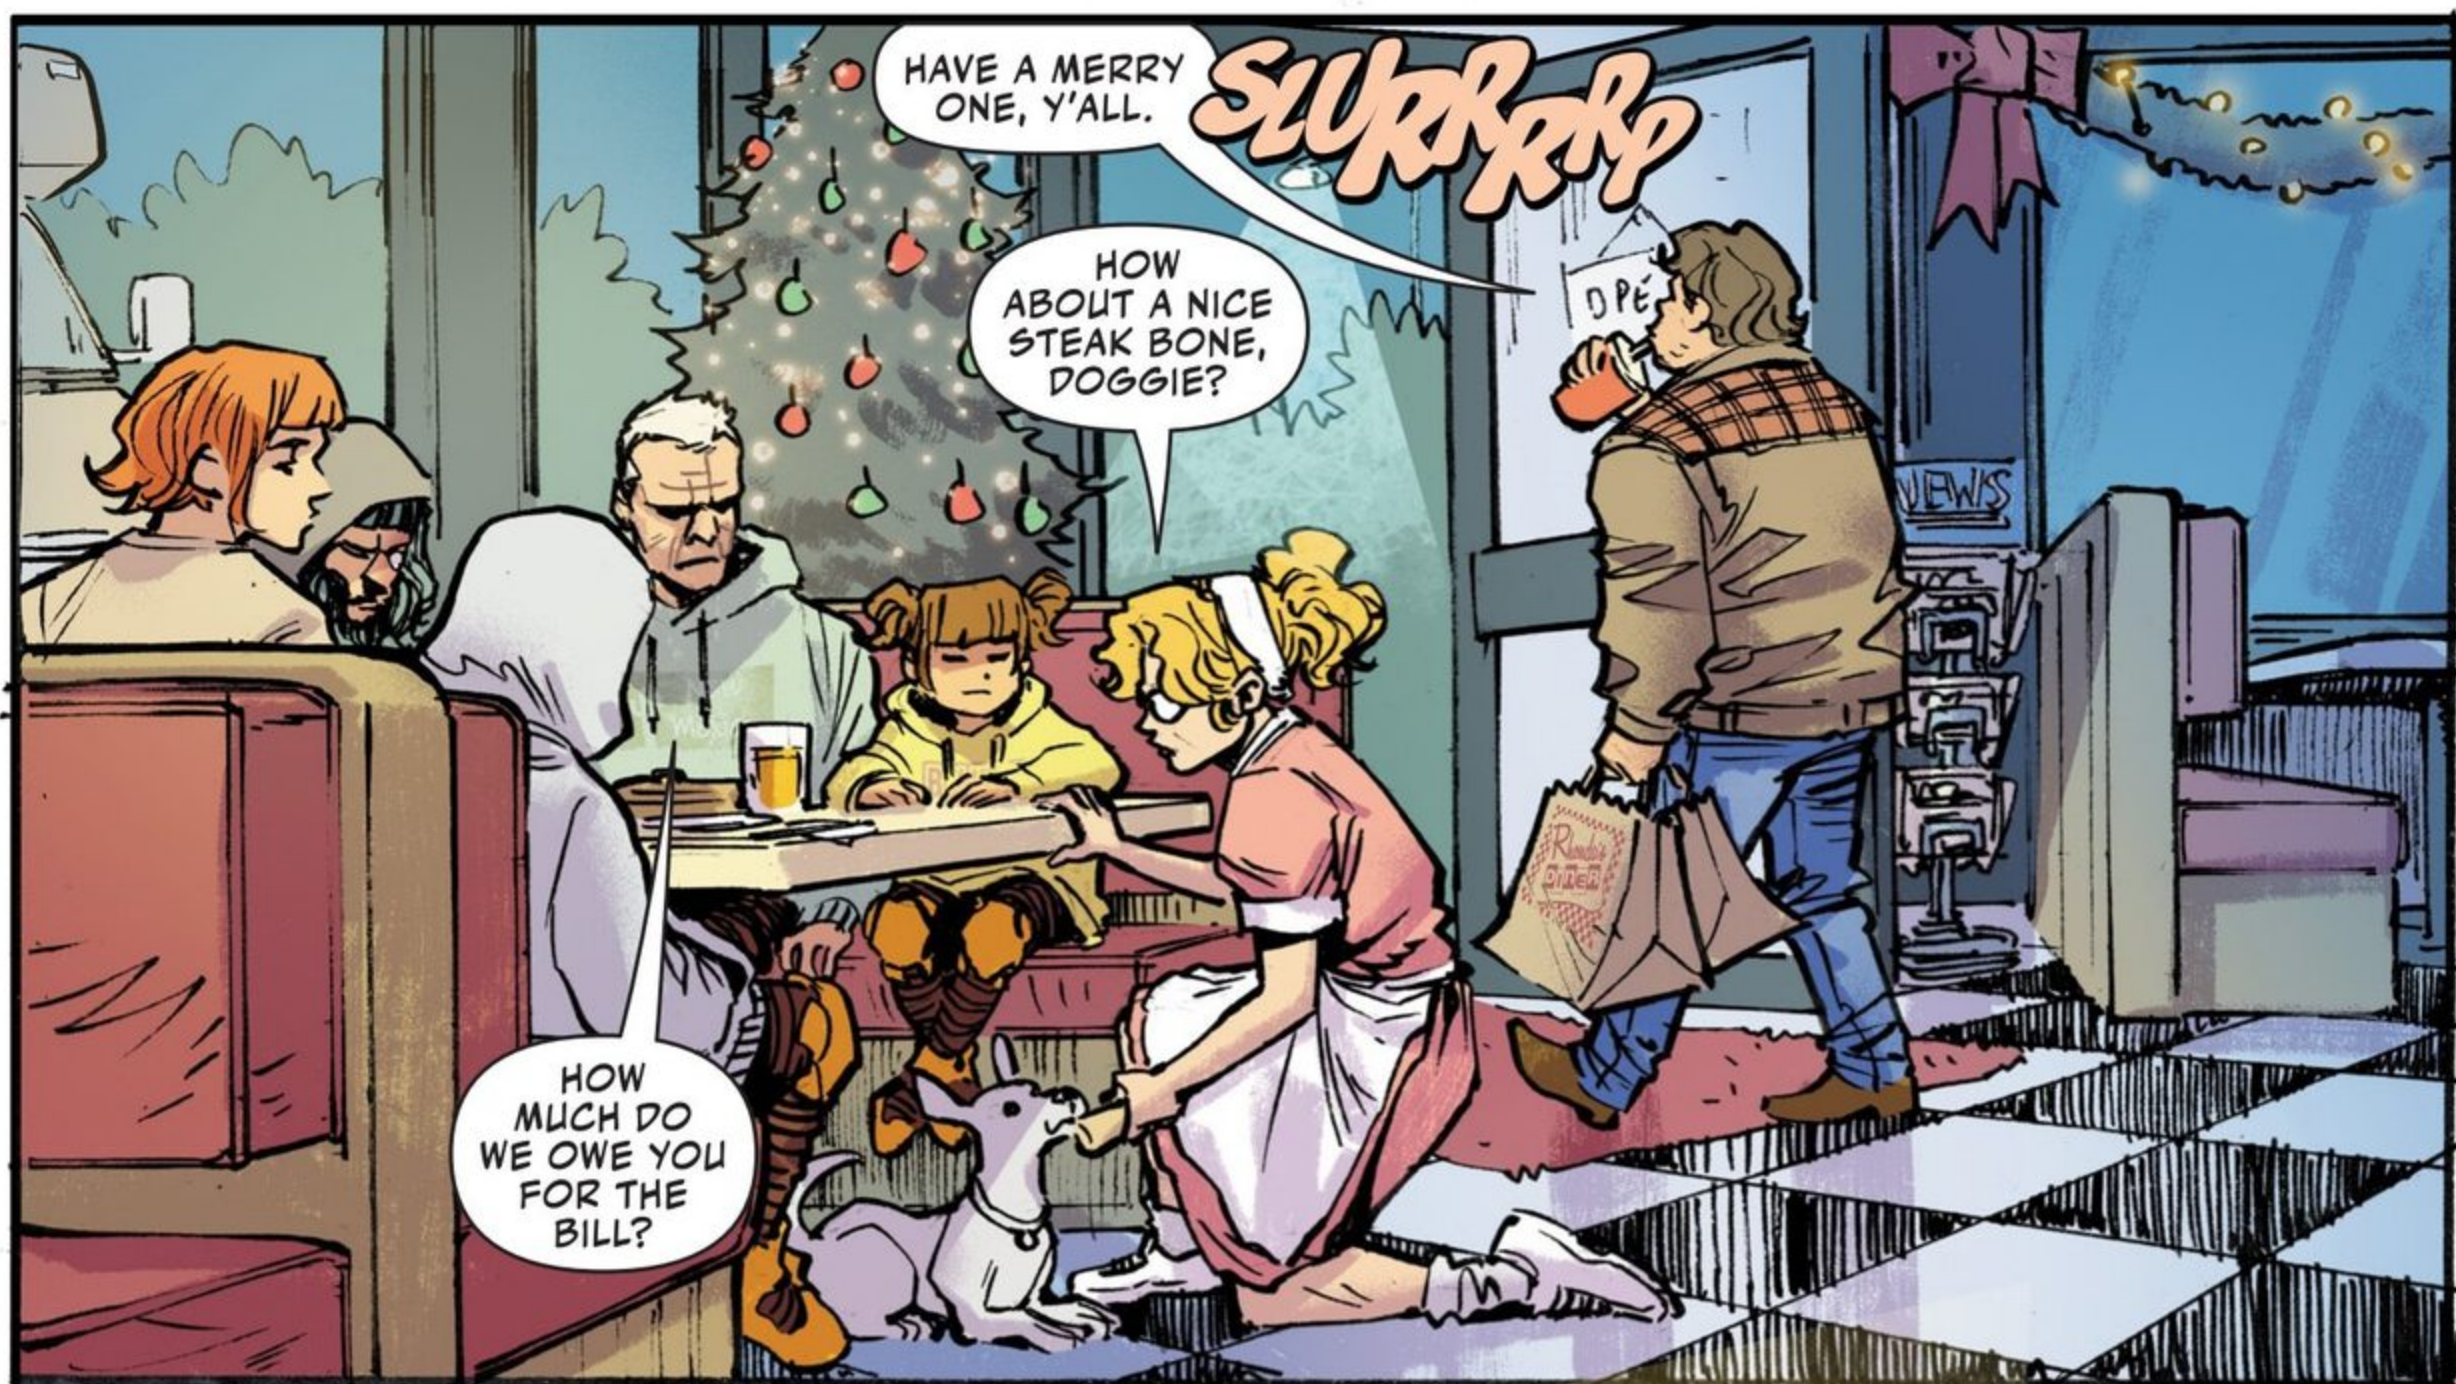

AND I'VE LOST MY ENTIRE MEMORY.

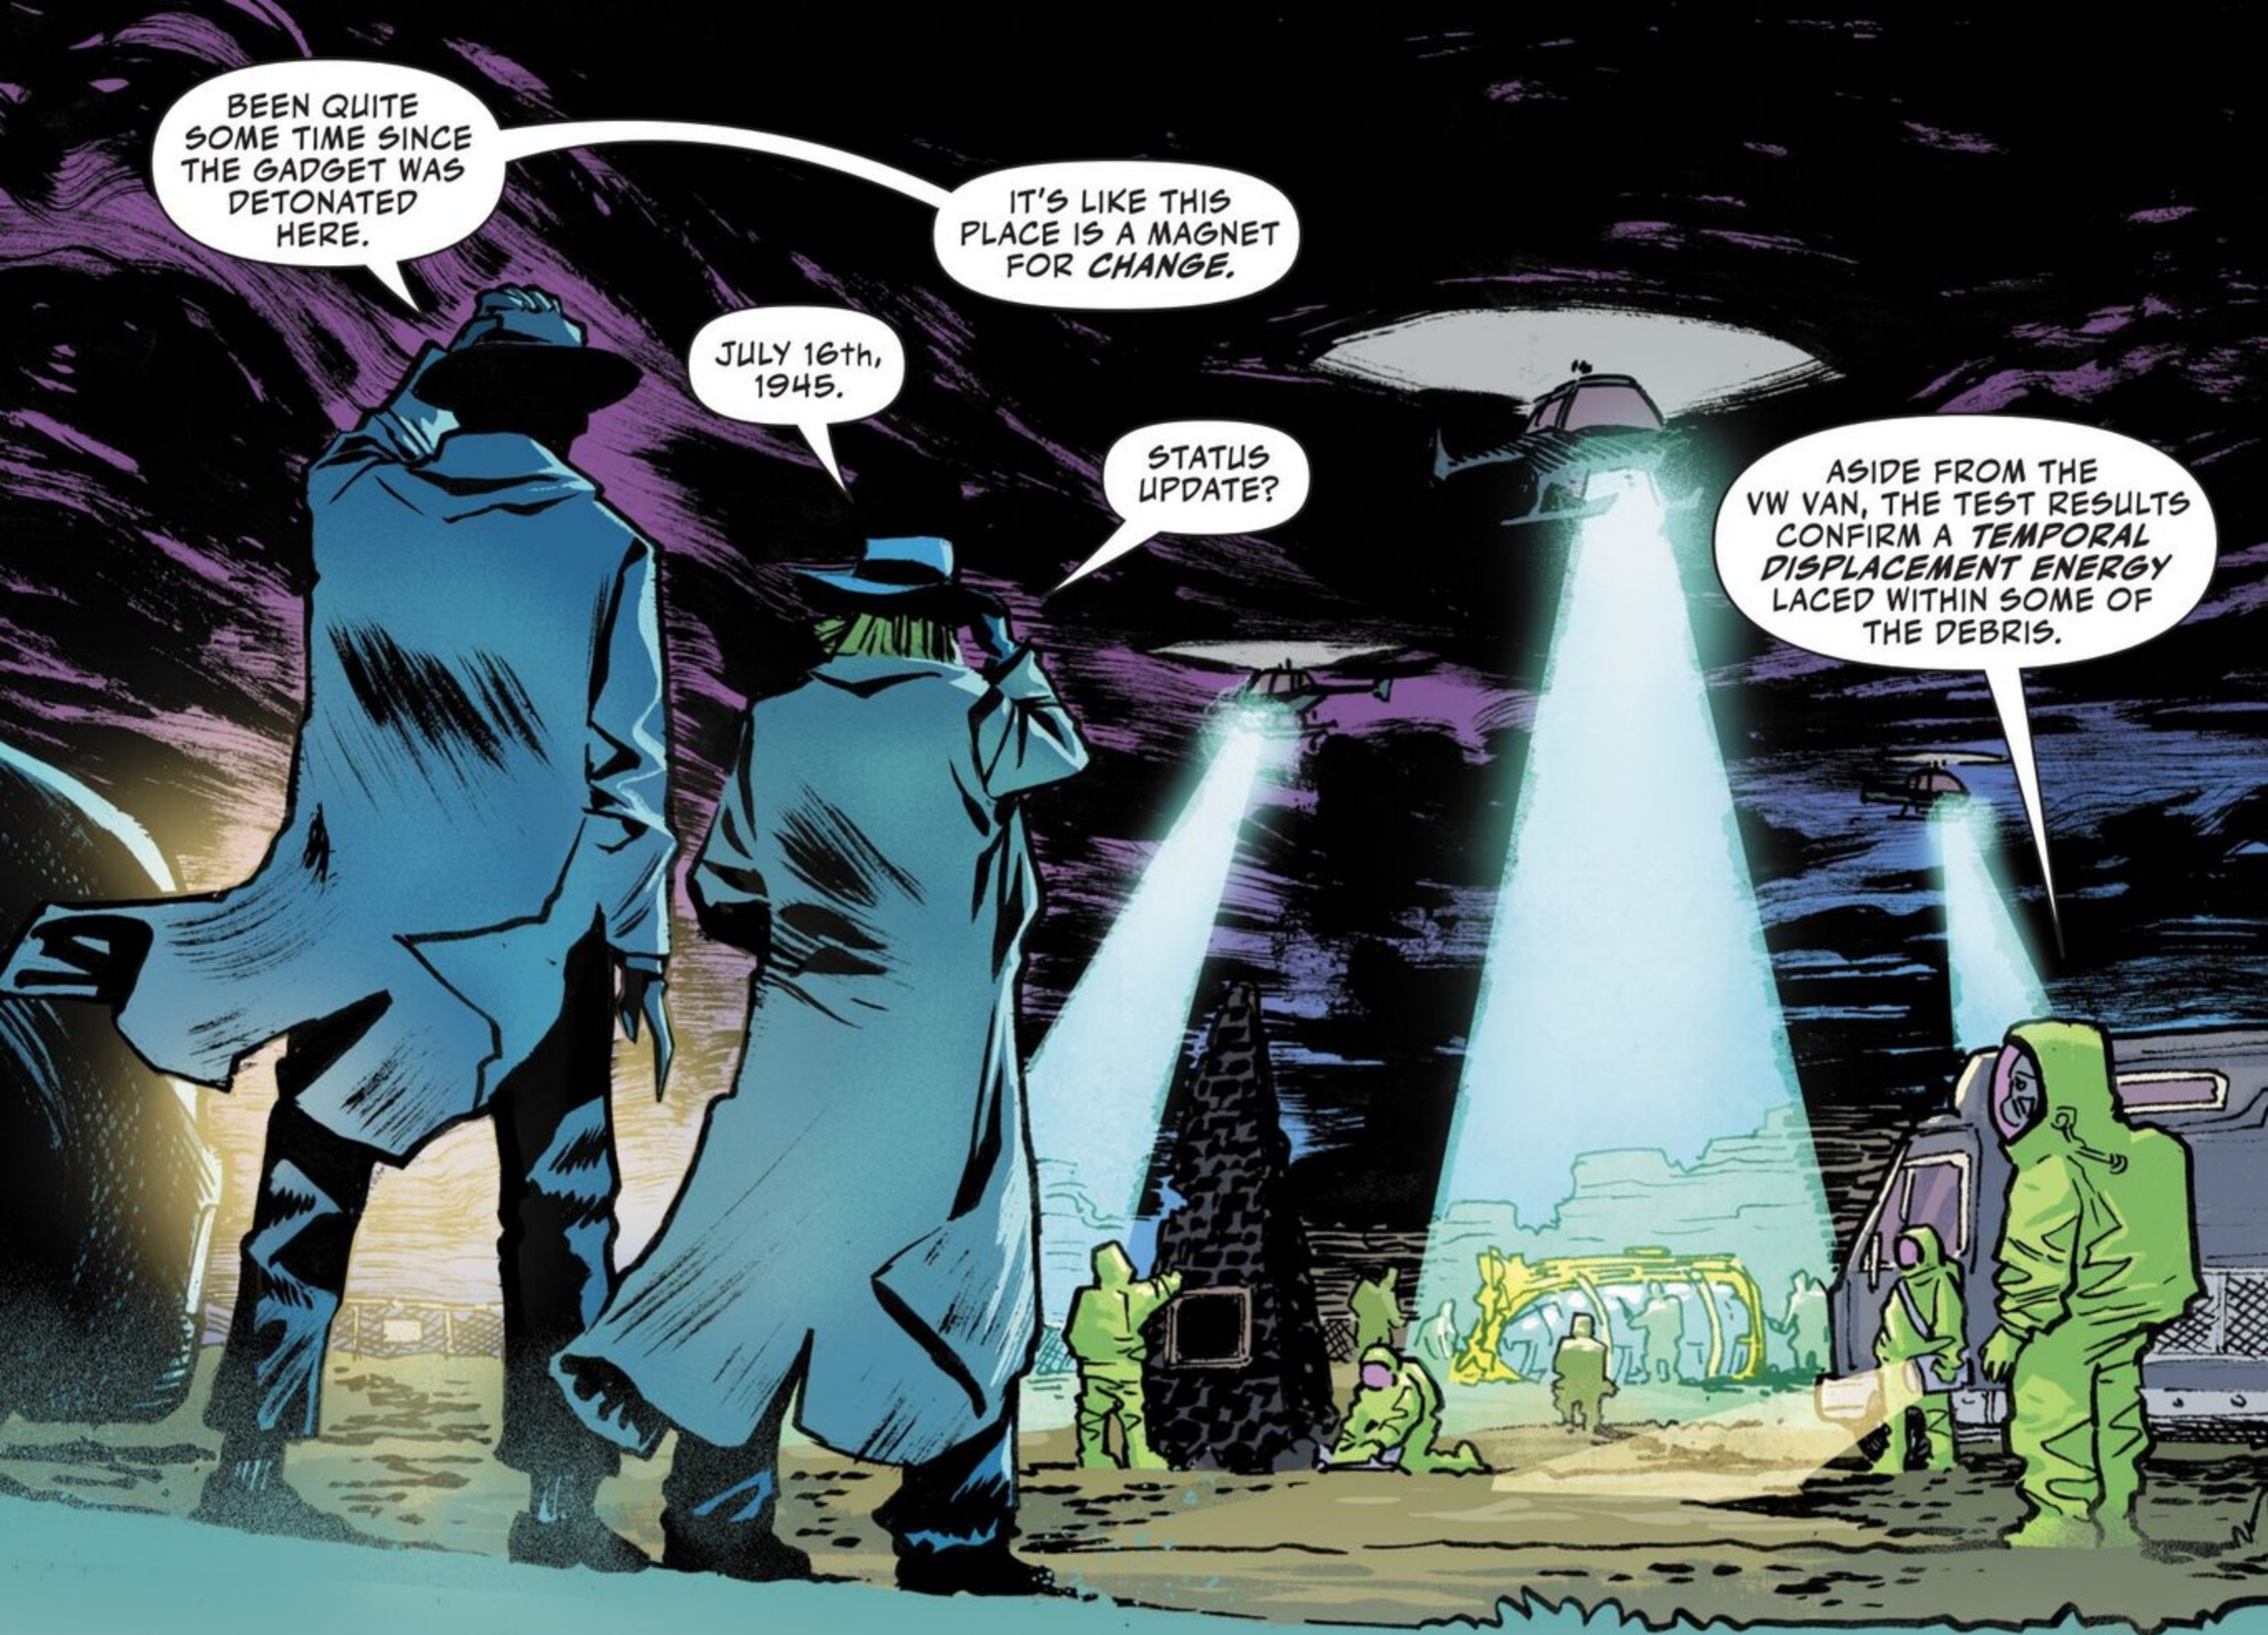

SLEEP TIGHT,
MR. GAS-MAN.

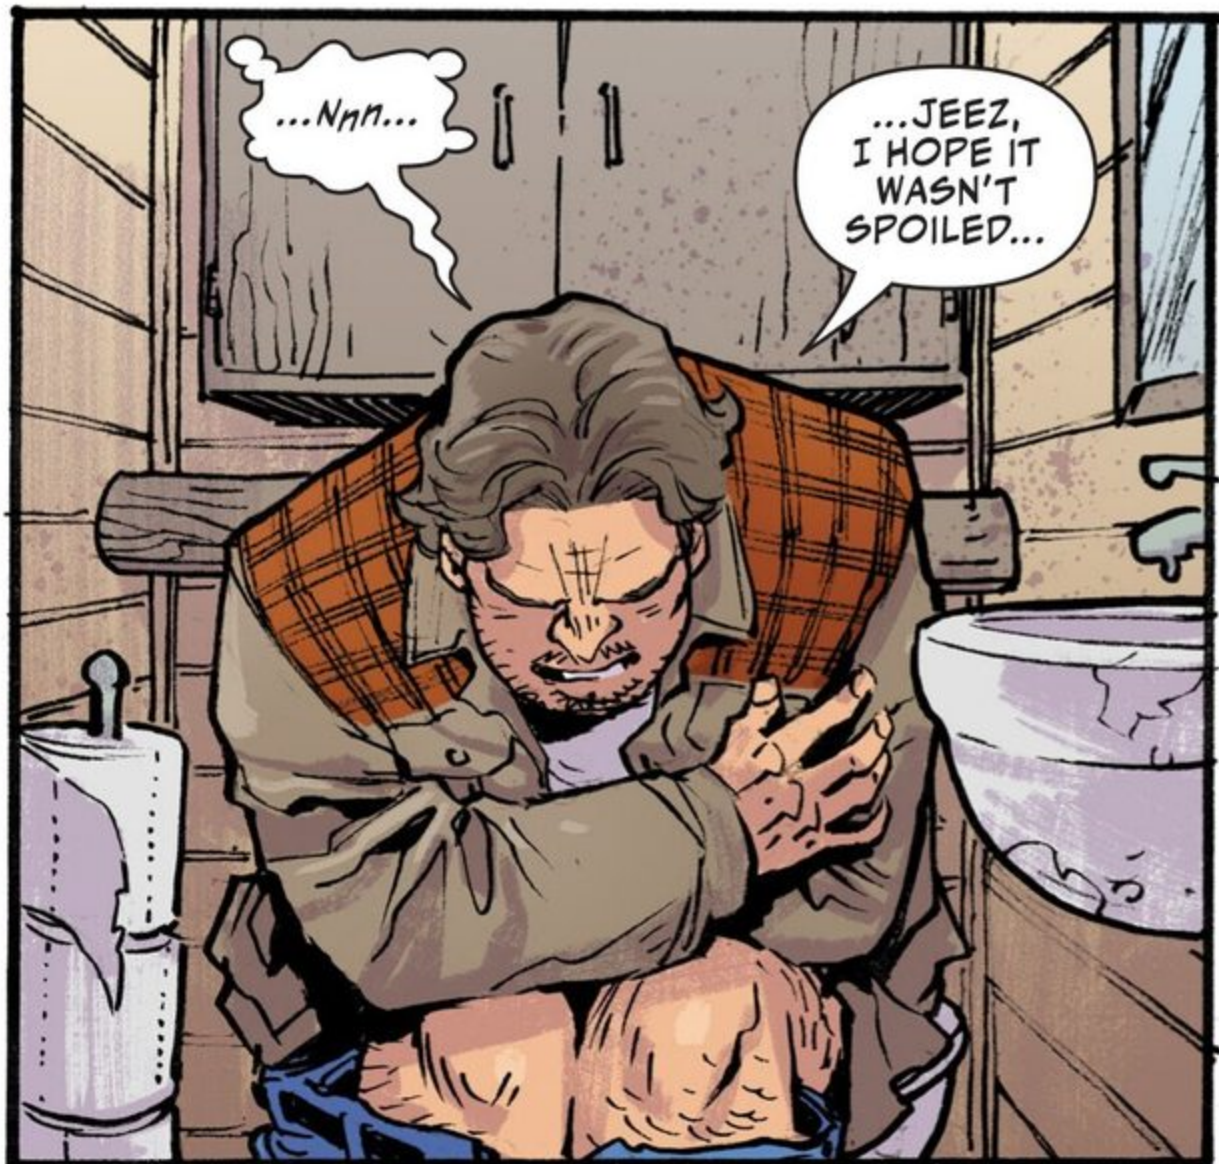

HE'S LUCKY
WE DIDN'T KILL
HIM FOR PRICE
GOUGING.

OR NOT
SHOWERING
FOR THE LAST
WEEK.

WHAT'S RICHIE DOING?

I'M WORRIED ABOUT HIM.

TRYING TO SLEEP, BUT I THINK I HEARD HIM CRYING WHEN I TOSSED THE GUY OUT.

I'M WORRIED ABOUT ALL OF US.

TAKE THE WHEEL, RODNEY...

RACHEL, I'D LIKE TO TALK SOME MORE ABOUT--

NOT RIGHT NOW, RAINA.

SNIFF
SNIFF

HOW'S MY BIG BOY DOING?

...SNIFF...
I YELLED AT HIM, MOM...
BLAMED HIM...

...I WAS SO ANGRY...TOLD HIM TO STOP LOVING US...

...THE SUIT WASN'T READY TO MAKE A TIME JUMP...

...NOW DAD'S GONE...

...AND IT'S MY FAULT.

SHUSH, IT'S NOT YOUR FAULT.

EVERY CHOICE YOUR FATHER MADE WAS TO HELP HIS FAMILY.

GET SOME SLEEP, OKAY?

...OKAY...

HOW DO YOU
LIKE OUR FAMILY
CHRISTMAS CARD,
MOMMY?

I'M GOING TO
SAVE IT AND GIVE
IT TO DADDY WHEN
WE SEE HIM.

...

IT'S
BEAUTIFUL,
RAE, I LOVE
IT.

SNORRR...

SNORRR...

MAKE SURE WE KEEP THE
CARD CLEAN AND PRESSED
TIGHT SO IT DOESN'T GET
RUINED, OKAY?

ABSOLUTELY.

NOW HOW
ABOUT YOU
GET SOME
SLEEP,
TOO?

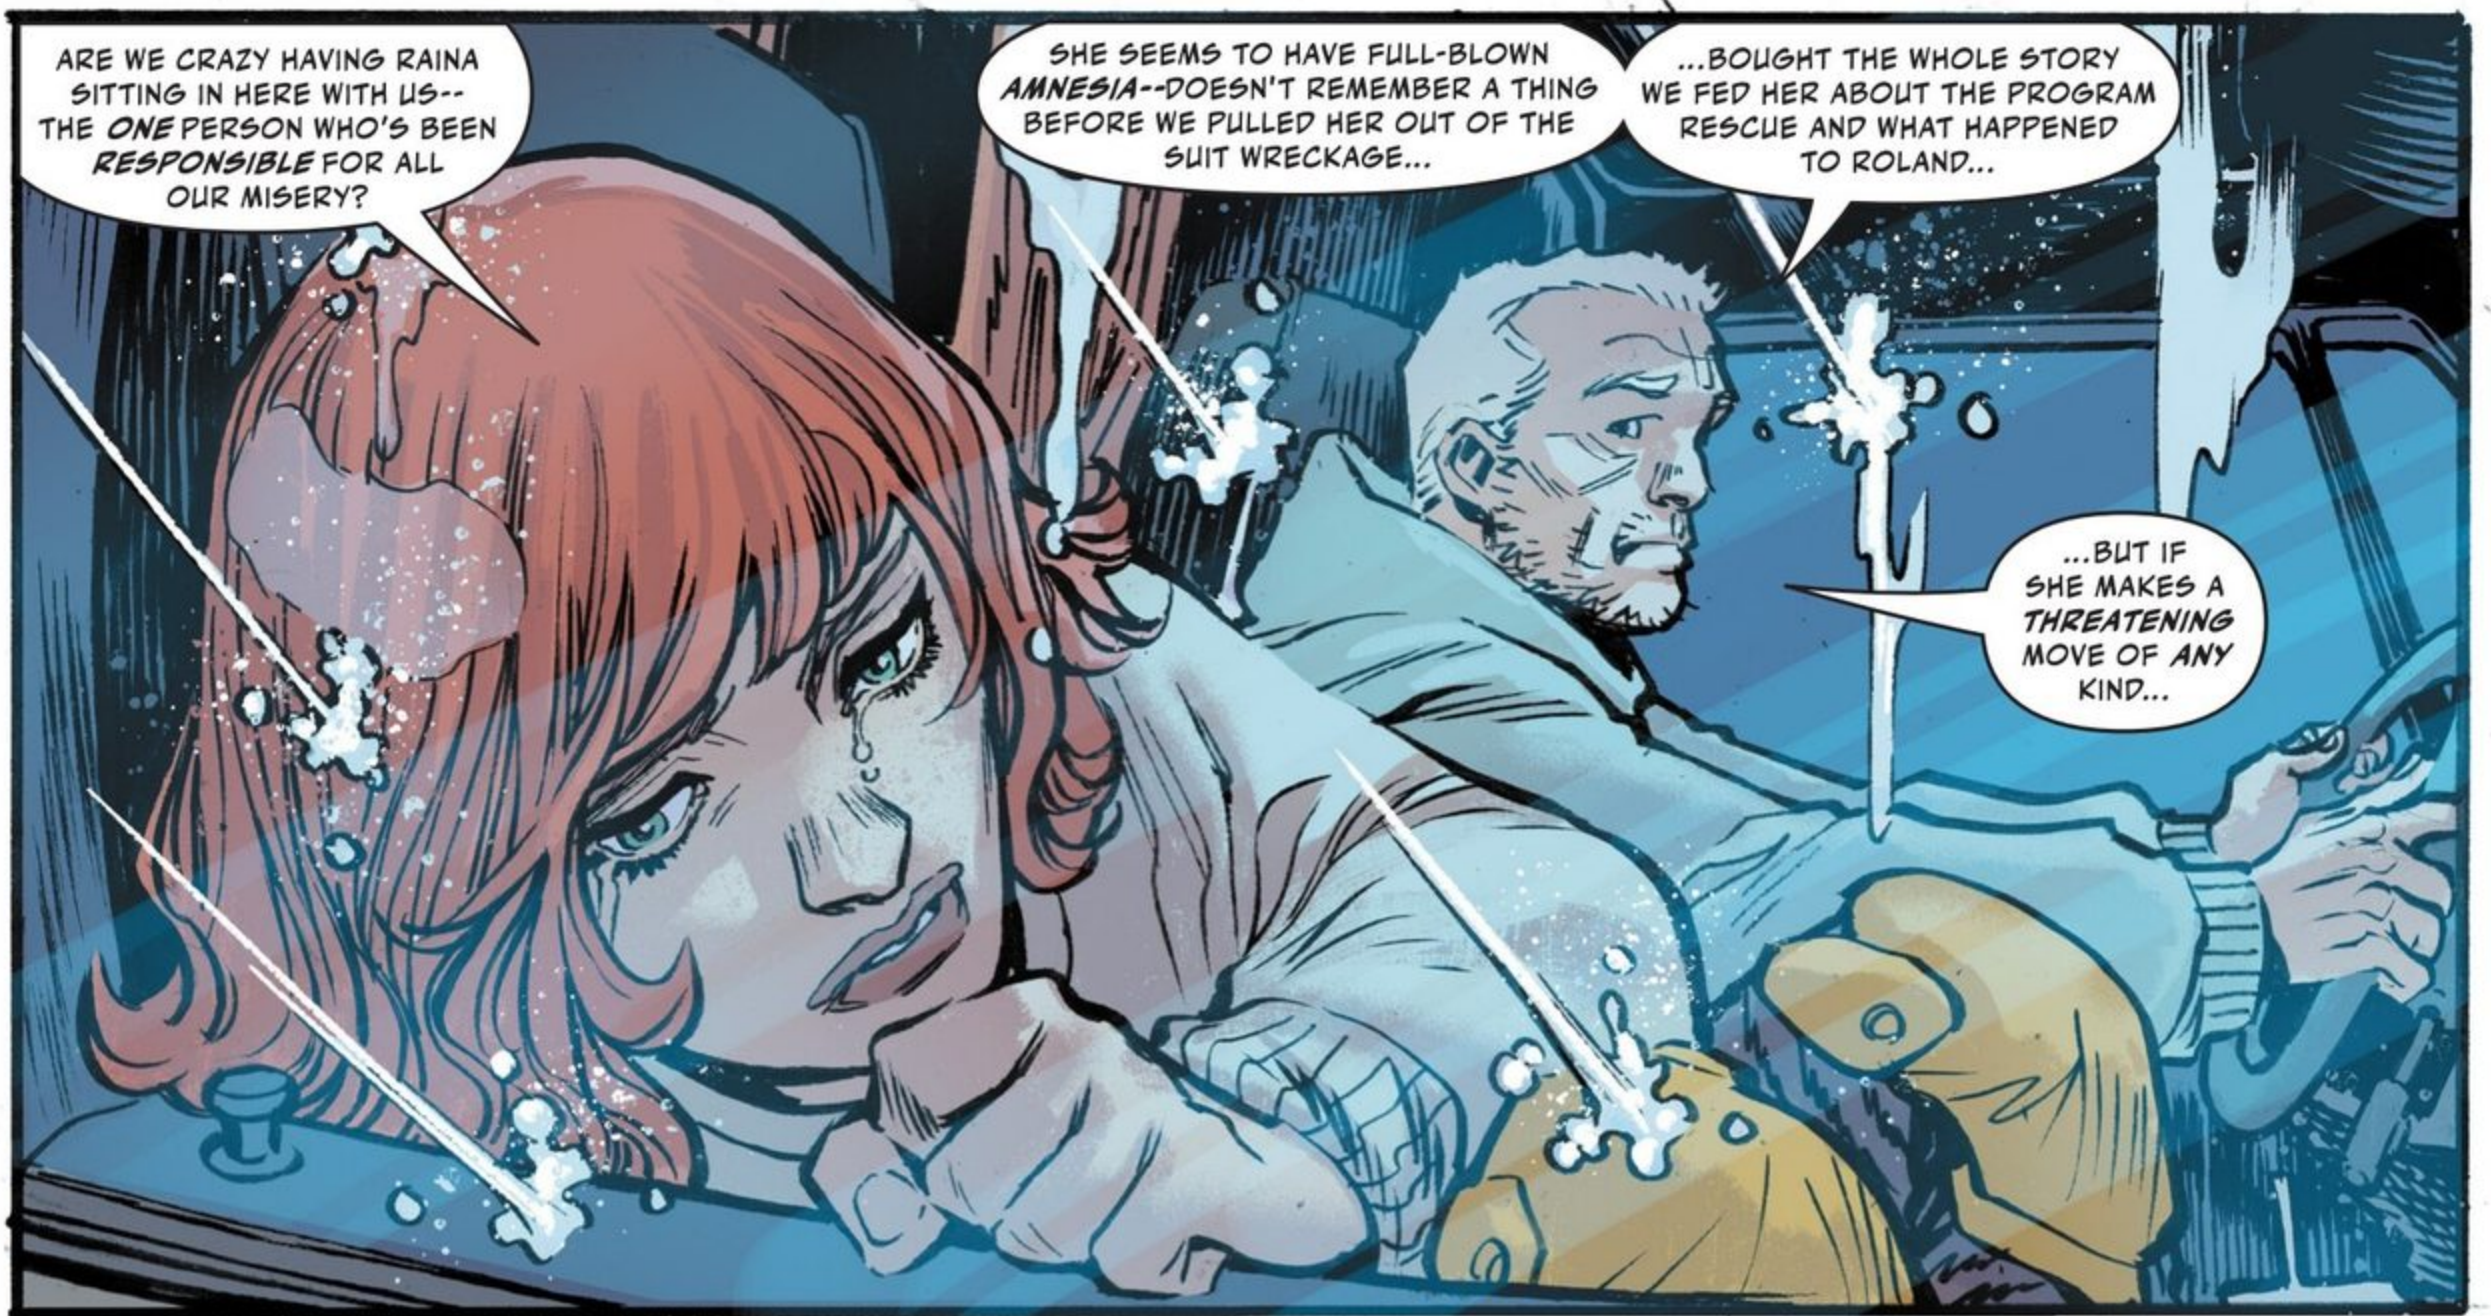

...WISH I COULD SLEEP
LIKE EVERYONE ELSE
BACK THERE...

...BUT EVERY
TIME I CLOSE MY
EYES, I SEE ROLAND...
FEEL HIS HAND ON
MY FACE...

WE'RE ALL SHARING
A NIGHTMARE, KIDDO,
AND I WISH I COULD SAY
WE'RE GONNA WAKE UP
AND FIND OUT *NONE* OF
THIS EVER HAPPENED.
BUT IT *DID*.

FIRST ROSE...
NOW MY SON...
BOTH GONE...

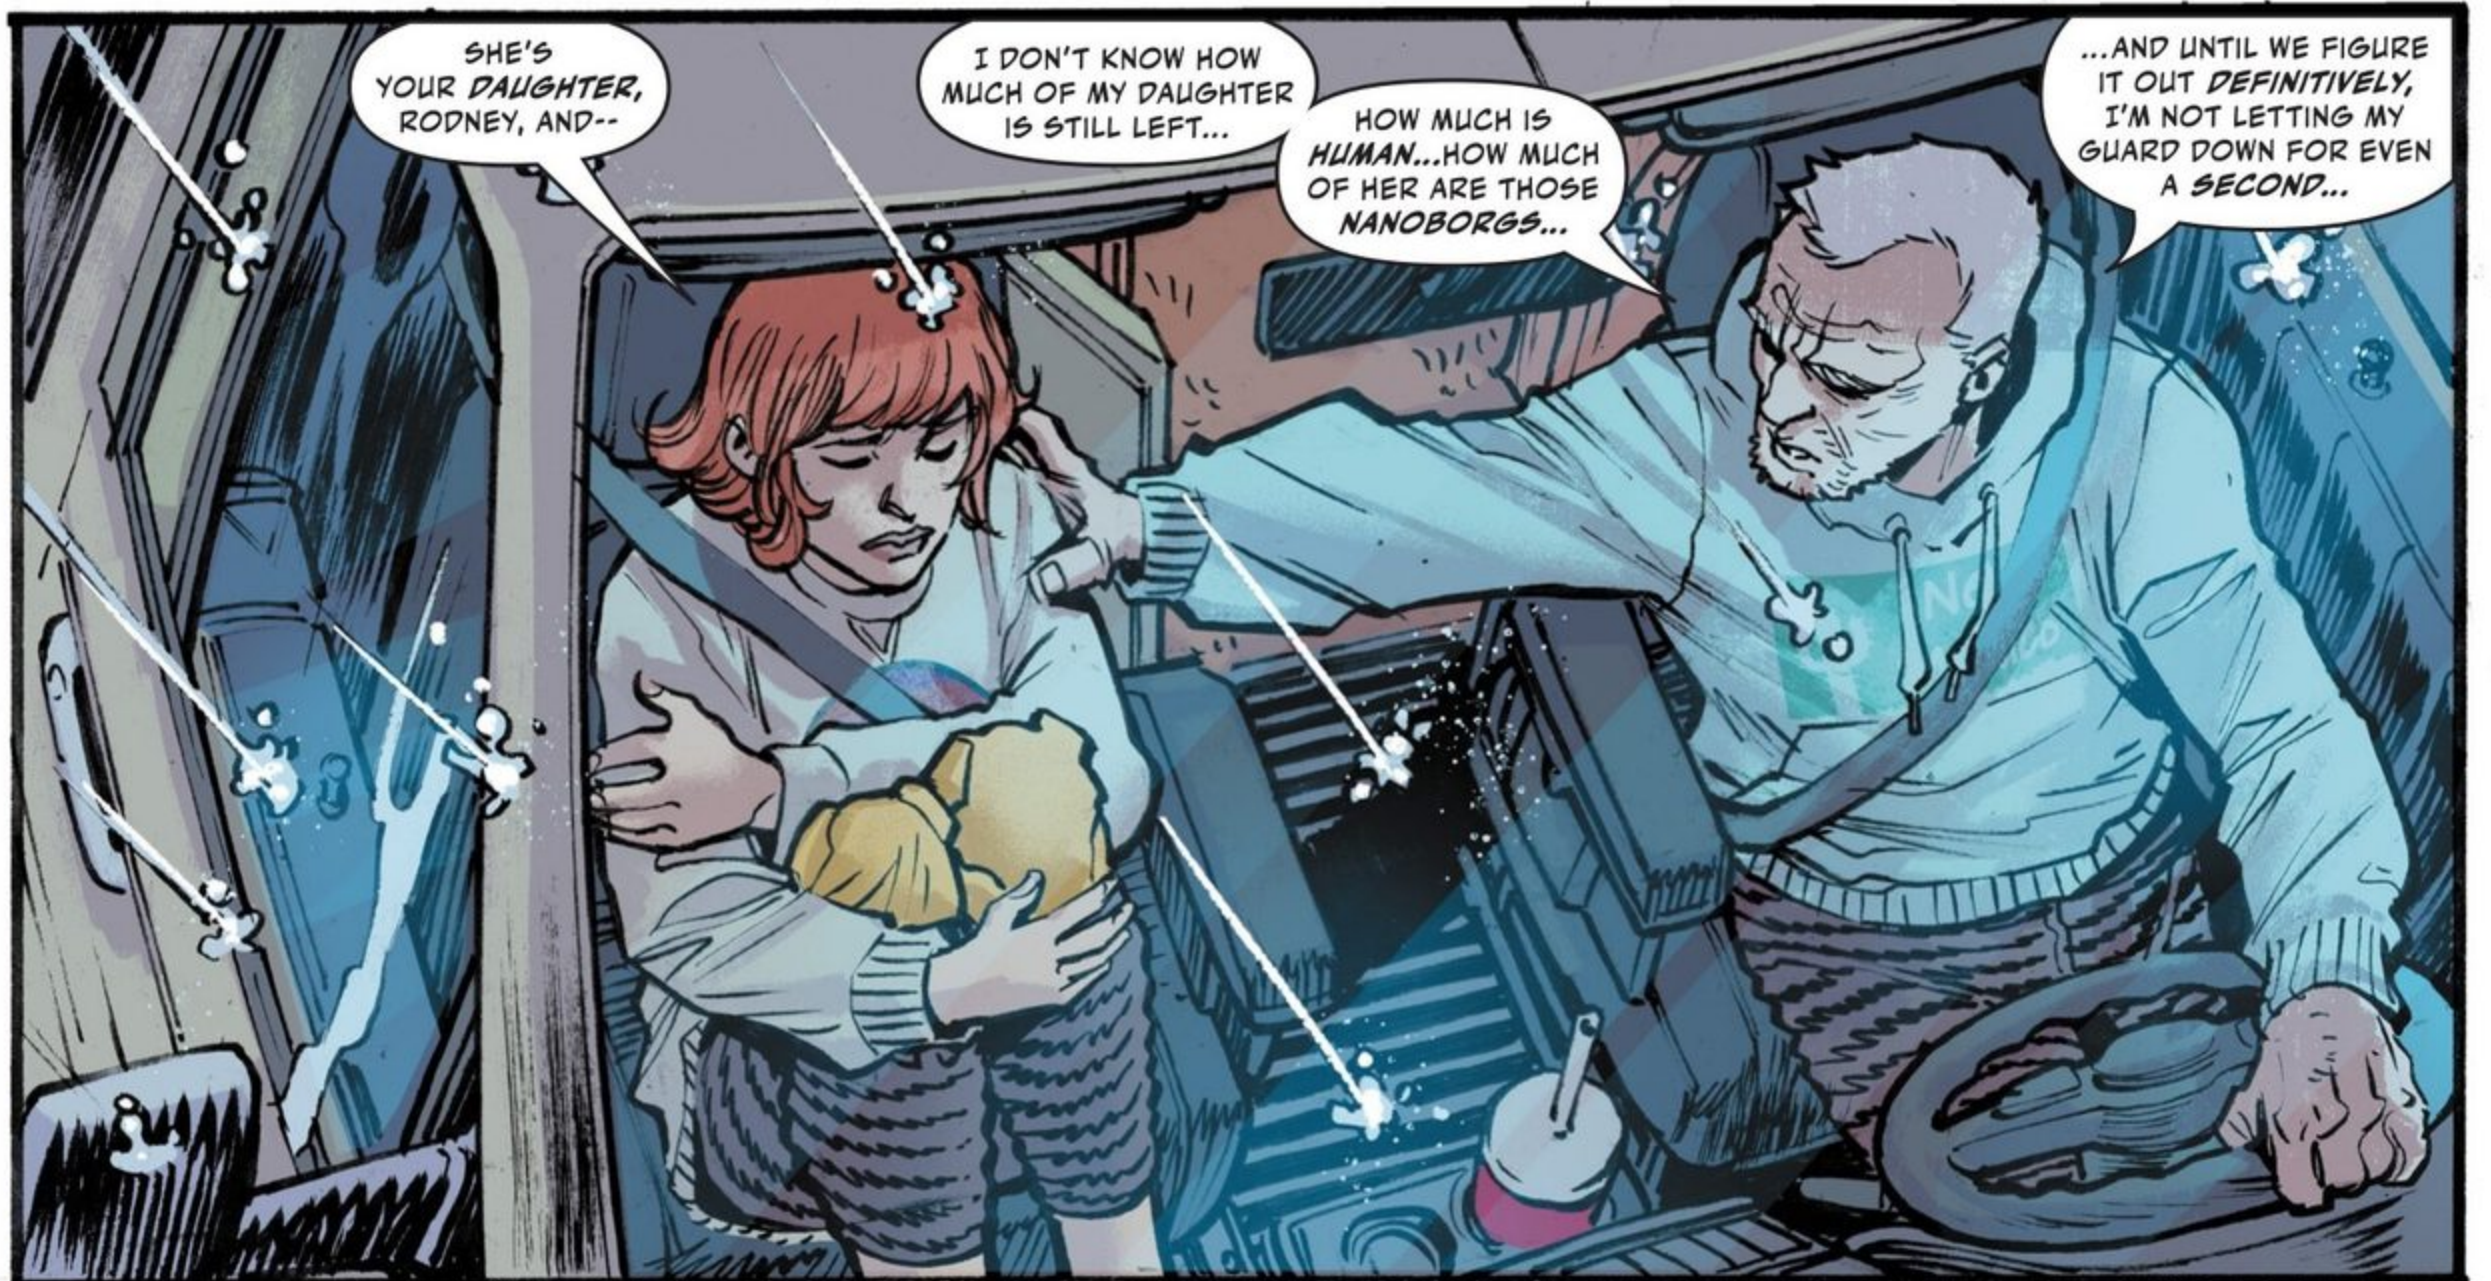

ARE WE CRAZY HAVING RAINA SITTING IN HERE WITH US-- THE *ONE* PERSON WHO'S BEEN RESPONSIBLE FOR ALL OUR MISERY?

SHE SEEMS TO HAVE FULL-BLOWN AMNESIA--DOESN'T REMEMBER A THING BEFORE WE PULLED HER OUT OF THE SUIT WRECKAGE...

...BOUGHT THE WHOLE STORY WE FED HER ABOUT THE PROGRAM RESCUE AND WHAT HAPPENED TO ROLAND...

...BUT IF SHE MAKES A THREATENING MOVE OF ANY KIND...

SHE'S YOUR DAUGHTER, RODNEY, AND--

I DON'T KNOW HOW MUCH OF MY DAUGHTER IS STILL LEFT...

HOW MUCH IS HUMAN...HOW MUCH OF HER ARE THOSE NANOBOGGS...

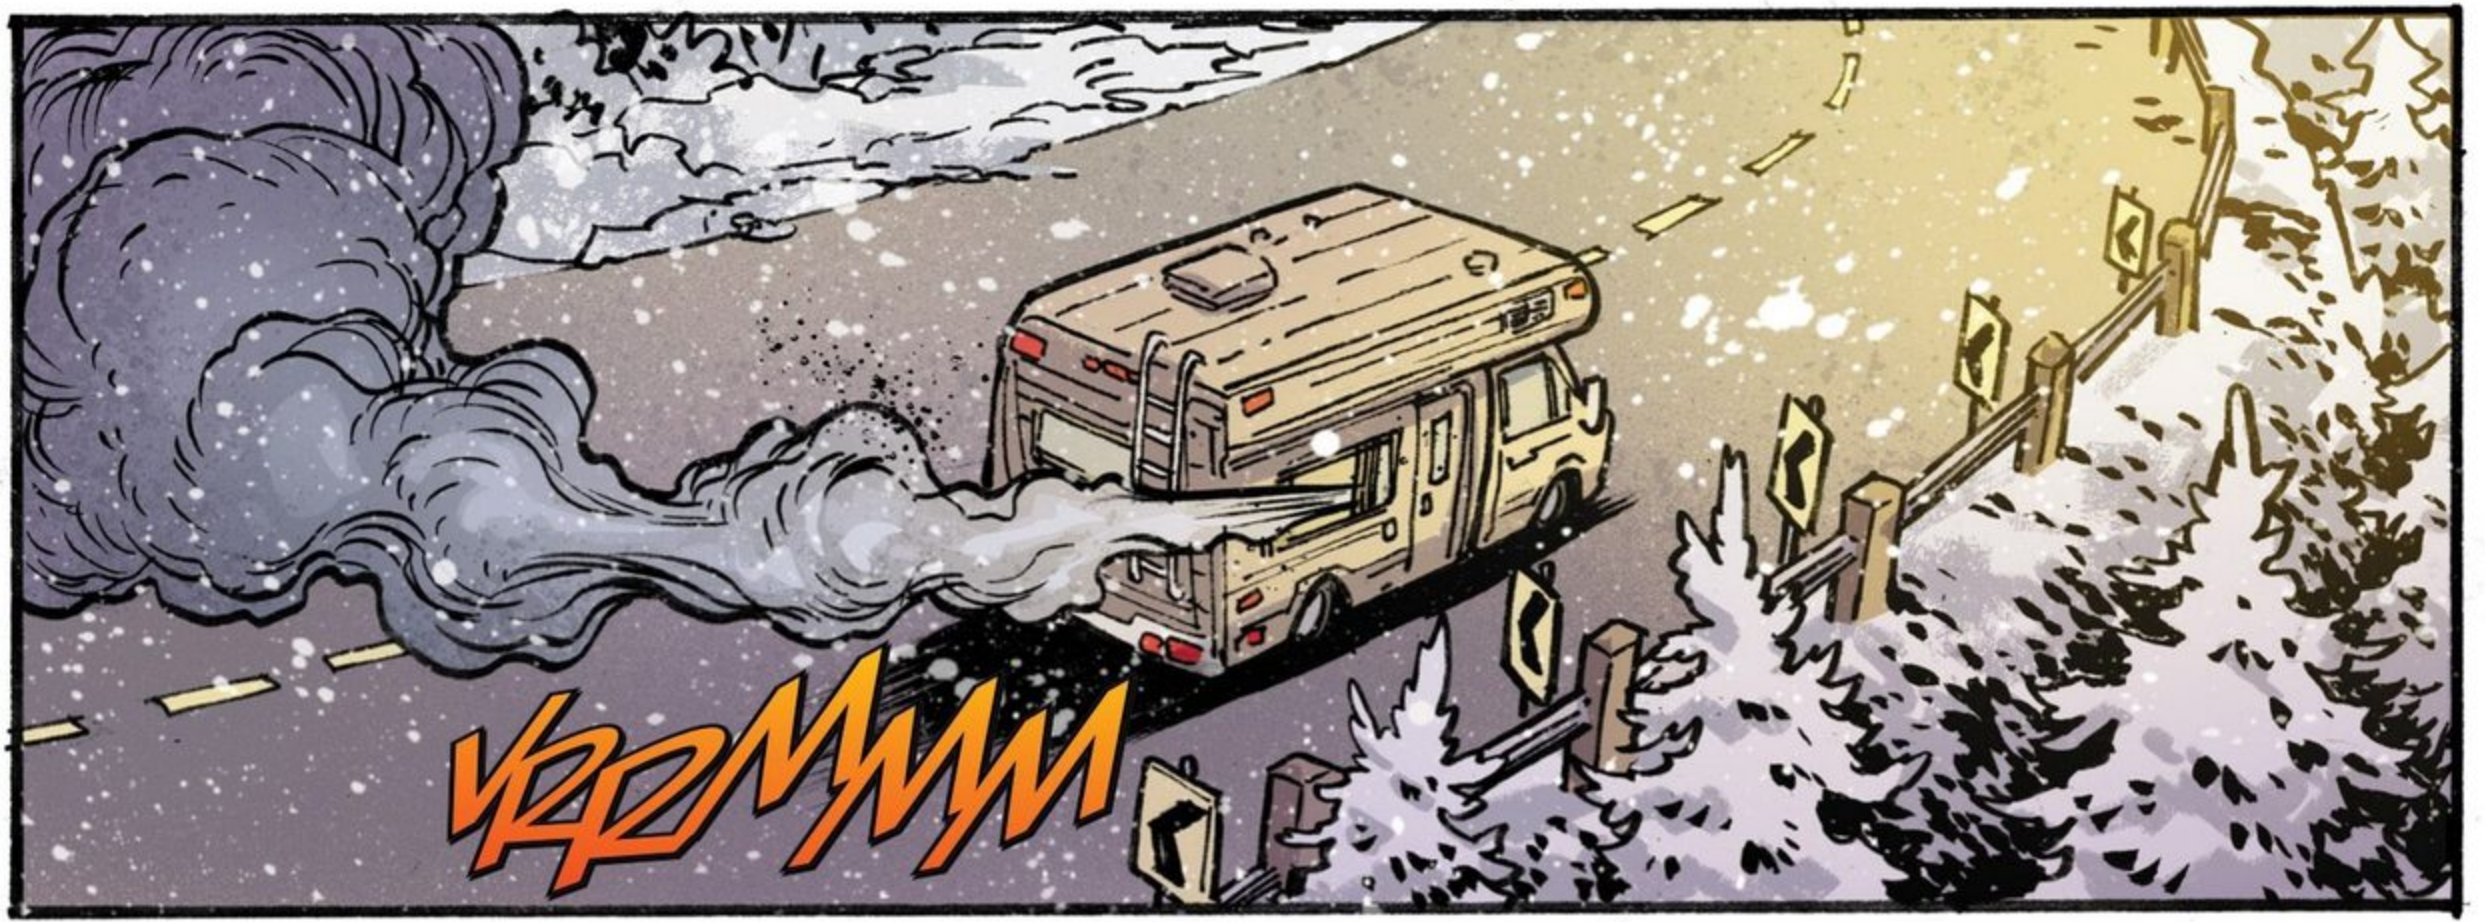

...AND UNTIL WE FIGURE IT OUT DEFINITELY, I'M NOT LETTING MY GUARD DOWN FOR EVEN A SECOND...

... 'CAUSE I'LL BE LIVING BY THAT OLD SAYING:

"KEEP YOUR FRIENDS CLOSE, BUT YOUR ENEMIES CLOSER."

WHEREVER
WE'RE TOGETHER,
THAT'S OUR
HOME.

NEXT:

ZERO HOUR!

AMONG
US
ARE...

THE UNBELIEVABLES

COMING MAY 2026!

RAINA ROCKETFELLER

AGE: 32 **HEIGHT:** 5' 10"

WEIGHT: 141 lbs (207 lbs with borganic implants)

EYES: Brown **HAIR:** Brown

FIRST APPEARANCE: THE ROCKETFELLERS #1 (2024)

HISTORY: Raina Rocketfeller was that kid who couldn't sit still. Act first, repercussions second. As she has often told her much more cerebral brother, "You do the thinking, I do the fixing." This mantra and willingness to strike first allowed her to excel in the Earth Defense Force.

As the daughter of military legend Rodney Rocketfeller, her enlistment was perceived as nepotism. However, all doubts were dispelled as she easily outworked and outlasted all other recruits. Her ability to think fast, and act even quicker allowed her to leap the ranks with historic speed. A bright career ahead of her, she was the apple of her father's eye and seen by other generals as the heir to his military legacy.

Much to her father's dismay, she left the service when recruited by tech mogul Jacob Alstrom, CEO of Cronex, to lead his security detail. The two became inseparable, and married a few years later.

When Jacob was diagnosed with a rare form of brain cancer, he channeled Cronex's vast resources toward conquering death itself. He hired the world's greatest minds—including Raina's brilliant brother, Roland—to find the key to immortality. With Jacob's mortality at stake, Raina would become an indomitable force, doing whatever it took to keep her husband alive. Even if it meant stealing technology from a competitor.

When Roland made a massive breakthrough in reproducing dead cells with nanotechnology, conflict emerged between the siblings. While the "borganic" material appeared to prevent death, it came at the steep cost of losing one's humanity, as well as the capability to reproduce. Roland questioned the morality of his discovery, however, Raina and her husband coerced Roland to continue his lifesaving work. But when a terrorist attack gravely injured the couple, Roland's loyalty to his family forced him to administer the unstable borganic bodies to Raina and Jacob in order to save them.

Now with mechanized limbs, and a damaged frontal lobe and anterior insular cortex of her brain, Raina wages a quiet battle between humanity and machine within her own body. Her decision making, now precise and machine-like, lacks compassion, even for her own family. While Raina and Jacob have physically survived the terrorist blast, they needed Roland to continue his work to fully heal them.

Recognizing the danger Raina and Jacob posed and fearing for his family's safety, Roland enrolled, along with his wife, two children, parents, and even their dog into the Time Zone Protection Program,

escaping into the 21st century, doggedly pursued through time by an unrelenting Raina.

Raina's search would culminate in a battle with her brother—with only one resurfacing. Her memories now lost, she must rely on the goodwill and empathy of the surviving Rocketfeller family members to help regain them...despite their deep misgivings.

ABILITIES: The borganic nanobots injected into Raina replaced her severed limbs, giving her enormous strength and endurance. Yet to be determined are what other benefits or hazards may result from the nanobots in her body. ●
